Ike Rejects Truman Offer Of Briefing On World Situation

DETROIT detectives are investigating the killing of Chester Czernel (inset), 33-year-old father of three children. Czernel was shot to death with his own shotgun, apparently by a burglar he surprised in his home. Christine Czernel, 10, holds her sister, Theresa, 6, and brother, Chester, Jr., 3, on her lap, unmindful of the killing of her father.

Must Be Free To Criticize, President Told

Stevenson Accepted Offer Of Data On International Affairs

DENVER (AP) — Gen. Dwight D. Eisenhower, the GOP presidential nominee, today rejected an invitation from President Truman to go to Washington for a confidential "briefing" on the international situation.

The general sent a telegram to the President saying "it is my duty to remain free" to analyze Truman administration policies publicly, and that it would be 'unwise and result in confusion in the public mind" if he accepted the bid.

Gov. Adlai Stevenson of Illinois, the Democratic candidate for the presidency, was given a briefing on international affairs at the White House Tuesday. He met with Truman and his Cabinet, and with defense and intelligence officials.

Ike Criticizes Move

The same day Eisenhower sharply criticized the move. He said it signified "The present administration is determined to nail down through its hand-picked successors every detail of the doctrines and policies that have brought us to the present situation of bewilderment, indecision and fear for the future."

In his telegram to Truman today, Eisenhower said:

"As you know, the problems which you suggest for discussion are those with which I have lived for many years. In spite of this, I would instantly change this decision (not to accept the President's invitation) in the event there should arise a grave national emergency.

"There is nothing in your message to indicate that this is presently the case.'

Emergency Not Considered

In Washington, Truman's press secretary, Joseph Short, told reporters "the emergency question was never considered. It never entered into the invitation at all."

Short said the invitation to Eisenhower was sent to the general Wednesday, but that it was "in the works" before Stevenson's conference with Truman at the White House Tuesday.

In response to another question, Short said Truman would not comment on Eisenhower's decision at this time.

Truman has a news conference scheduled for 3 p. m. today.

Short said both Stevenson and Eisenhower will receive weekly reports on the international situation from the Central Intelligence Agency.

General Accepts Offer

Truman included the offer of these reports in his telegram Wednesday to Eisenhower and the general accepted that offer.

But Eisenhower said he wanted it understood that except in cases where U. S. security is involved, "possession of these reports will in no way limit my freedom to discuss or analyze foreign programs as my judgment dictates."

Sen. Richard M. Nixon, Eisenhower's vice presidential running mate, also has denounced the Stevenson meeting with Truman and key administration officials.

Belgium Draft Cut Creates New NATO Problems

3 Months Cut Off Conscription Time After Demonstrations

WASHINGTON (AP) — Belgium's decision to cut down its military conscription period created new troubles for Gen. Matthew B. Ridgway's European army which apparently were not anticipated here a short while ago.

The Brussels government decided yesterday to knock three months off the 24-month service period for conscripts. It had failed the previous day to get neighboring countries to agree on a common two-year training program.

Others Require Less Time

Belgium is the only member of the European Defense Community with a two-year service period. Norway requires 12 months, The Netherlands and France 8 months, and Italy 15 months. Great Britain, which is not an EDC member, has two years' service.

Strikes and demonstrations against the conscription period broke out in Belgium last week. The Belgians requested a meeting of EDC partners to seek a common two-year term, but no agreement was reached. Brussels then announced its conscripts would have to serve only 21 months, although the official period remains two years.

2-Year Training Minimum

Gen. Ridgway, supreme Allied commander, had told the EDC representatives that two years' training was the minimum for the caliber of reserve troops needed.

Some European officials contend they can raise their manpower quotas without longer conscription.

Gen. Alfred M. Gruenther, chief of staff at European headquarters, told the House Foreign Affairs Committee in March that increased reserve training in Europe was necessary.

He said Western European forces had to depend upon reserves because they could not afford to maintain large standing armies.

Belgium has one of the smallest forces in the EDC. Congress was told in March that this totaled 136,000 men. However, this was 5.5 per cent of Belgium's nearly nine million people — the largest proportionate contribution.

Masked Men Rob Banker Of $71,000

NIXON SAYS STEVENSON "CAPTIVE" OF TRUMAN — Republican vice-presidential candidate Richard Nixon (center), Illinois Senator Everett M. Dirksen (left) and State Treasurer William Stratton, GOP candidate for governor of Illinois, wave to a crowd that turned out at Springfield to hear Nixon. The California senator said foreign policy is the major campaign issue and charged Gov. Adlai Stevenson is the "helpless captive" of President Truman.

Warren Man's Car Stopped During Delivery

Patrolmen Set Up Highway Blocks Throughout District

WARREN, O. (AP) — Three men masked with burlap sacks forced the car of a Warren bank official off the road today and robbed him of about $71,000 in cash.

Charley Foley was taking the money from the Union Savings & Trust Co's main building to its Woodland Ave., Branch, of which he is manager.

Police quoted him as saying two of the men leaped out of the holdup car armed with a sawed off shotgun and a revolver after cutting in front of him with their auto.

Smashed Car Window

One smashed his car window with the shotgun butt and the pair grabbed a package which held the money, he was quoted as telling police.

A woman in the neighborhood saw the holdup and was reported to have taken down the license number as the bandit car sped away, leaving Foley behind.

Foley was not harmed.

Police State Highway Patrolmen and sheriff's deputies immediately started setting up roadblocks in the area.

Bank officials said Foley got money at the main bank each week. They said he varied his routes in an effort to foil just such a holdup as occurred today.

Foley is a son of Mrs. John J. Foley, church and lodge editor of the Warren Tribune-Chronicle.

It was the biggest holdup in the Warren area since 1935 when three hoodlums hijacked a mail truck which was carrying $50,000 in registered bonds and $72,000 in cash from the Erie Railroad station to the postoffice. The money was to have been used for a Republic Steel payroll.

The most recent holdup was on June 16, 1951, when four men forced a car off the road and escaped with $42,000 that two Copperweld Steel Co. employes were taking to the plant for a payroll.

In 1933 two Second National Bank messengers were robbed of $68,000 by three armed men. The messengers were taking the money from the post office to the bank.

Police were alerted to be on the watch for a gray Oldsmobile 88, seen heading east on Route 82 toward Sharon, Pa. The license was said to be T-966-D or T-986-D.

All available State Highway Patrolmen from the Salem barracks have been assigned to aid patrol posts in the Warren area in establishing road blocks on highways surrounding that district.

Marines Beat Back 2 Fierce Red Attacks On Bunker Hill

SEOUL, Korea (AP)—U. S. Marines beat back two fierce Communist attacks Wednesday night and today to retain their newly-won hold on Bunker Hill, in Western Korea.

The battalion-size Red assaults were the third and fourth futile attempts to recapture territory seized early Tuesday by the Leathernecks.

A U. N. briefing officer said Communist casualties were heavy. By mid-day, he said, dead enemy soldiers lay sprawled in groups on the scarred slope of the hill, only four miles east of Panmunjom, the truce talks site.

Allied warplanes continued to hammer at Red positions today. The Air Force said they knocked out nine troop bunkers and three gun positions, and killed or wounded 20 Communists near Bunker Hill. Tired Marines, meanwhile, huddled in their prefabricated timbered bunkers awaiting new Red moves.

Red machine gunners early today infiltrated the crest of nearby Siberia Hill—also captured Tuesday by the Marines. But Allied troops silenced the guns in 15 minutes.

The Communists preceded their Wednesday night assault on Bunker Hill with a fiery, three-hour artillery barrage.

Then, at 9:05 p. m., Chinese infantrymen charged into withering fire from Marine rifles, machine guns and artillery. Seventy minutes later the shattered Communist battalion pulled back.

The Reds launched the next attack at 2:25 a. m. Thursday. After a crackling skirmish which lasted four minutes, they withdrew to their lines.

"When they found the Marines were really ready for them, they called it off," said Maj. Louis Breault, Dallas, Tex.

Breault estimated 3,000 or more Reds have been assigned to retake Bunker Hill.

Rakosi Takes Over As Head Of Hungary

By WILLIAM L. RYAN
AP Foreign News Analyst

Matyas Rakosi's takeover of the premiership in Hungary today is a final step in the elimination of opposition by the Communists, who are rooting out the last remaining elements of other parties which had cooperated with them.

It represents a culmination of Rakosi's announced "salami tactics" by which, by his own admission, the Communists gradually seized the control of the country.

Rakosi's takeover indicates a housecleaning similar to the one which recently took place in Romania, when Vice Premier and Foreign Minister Ana Pauker, old-line Communist, was thrown out and the party boss, Vice Premier Gheorghe Gheorghiu-Dej, took the job of premier.

Rakosi returned to Budapest from Moscow in 1944 after the Germans had been driven out by Soviet troops, and he was armed with the plans which would bring him to power by what he called "coalitionary Bolshevism"—joining with other parties and then gradually swallowing them piece by piece—as he put it, like slicing off salami.

Scores of Communist agents infiltrated the Social Democratic party and when the time was ripe delivered the party to the Communists in a dictated merger, after ousting the old labor leaders in a ruthless terror campaign. The merger of the remainder of the Social Democrats with the Communists was announced in June, 1948.

The No. 1 man in executing this deal was Arpad Szakasits, the Social Democrats' secretary-general. He became president later, but then suffered the same fate as many others. After a short time as chairman of the combined "Hungarian workers' party"—the Communist dominated "coalition"—he disappeared. He is now apparently in jail.

Horsemeat Scandals Men On Probation

FINDLAY, O. (AP)—Five men involved in the Findlay horse meat scandals received two years probation each Wednesday after changing their pleas from not guilty to guilty.

Judge Chester Pendleton handed down the sentences in Hancock County Common Pleas Court.

The sentences included:

Fred B. Karg, former state meat inspector, indicted for soliciting and accepting bribes and for perjury; pleaded guilty to perjury, two years paroled to probation officer.

Harold and Alvin Tesnow, maintenance men at the Buckeye Packing Co., formerly Kay Brand, pleaded guilty to perjury, two years probation.

John K. Studer, Kay Brand sales manager, accused of selling motor vehicle without delivery of title, pleaded guilty, two years probation.

Virgil McGarrity, Kay Brand salesman, pleaded guilty to perjury, two years probation.

Patrol Cites Driver After Traffic Mishap

State Highway Patrolmen reported today that cars driven by Paul E. Murphy, 20, of Newton Falls and Charles W. Washington, 28, of Bridgeport, Conn. collided at 7:30 a.m. Wednesday at the intersection on Routes 17 and 534 causing some damage to each auto.

Murphy was cited by patrolmen for failure to yield the right of way.

CIO Ready To Give Stevenson Backing

WASHINGTON (AP) — The CIO was primed today to give its official support to Adlai Stevenson, Democratic candidate for President.

CIO President Philip Murray said a meeting of the Executive Board will "in all likelihood" take up the question in its day-long session. He left small doubt that a statement would be forthcoming before nightfall.

Murray also told newsmen that, so far as he knows, the CIO has received no bid for conferences or advice from Dwight D. Eisenhower, Republican presidential candidate.

Eisenhower reportedly has already contacted a leading AFL official, William C. Doherty, and asked him to confer in Denver.

Doherty is president of the AFL Letters Carriers Union and ostensibly he and Eisenhower would discuss ways of carrying out a GOP platform promise to improve mail service. But the talk undoubtedly will turn to other things, too.

Anthony Eden Is Wed To Miss Churchill

LONDON (AP) — British Foreign Secretary Anthony Eden married his boss's niece, 32-year-old Clarissa Churchill, today in a brief civil ceremony. The handsome groom was all smiles.

Prime Minister Winston Churchill was a witness as the 32-year-old daughter of his dead brother and his 55-year-old political heir apparent were united in London's Caxton Hall.

It was Eden's second marriage and his bride's first. Because of his divorce two years ago from the former Beatrice Beckett — now living in New York City — today's ceremony could not be performed in the Church of England.

Eden drove to the hall with his elder brother, Sir Timothy Eden, through a cheering crowd estimated at some 2,000. The groom wore a blue lounge suit with a white carnation in his buttonhole. He waved and beamed as the spectators clapped and yelled.

The 77-year-old Prime Minister arrived with his wife and walked slowly up the steps of the hall. Mrs. Churchill wore mauve.

None of the royal family was present. British royalty doesn't attend the weddings of divorced persons.

The Prime Minister smiled affectionately and approvingly as the bride and the handsome diplomat signed documents completing the civil marriage.

It was all over within five minutes.

Beauticians Fined On State Charges

Clara A. Finney, 85, operator of the Finney Beauty Shop at 651 E. Sixth St., was fined $20 and costs Wednesday by Mayor Harry M. Vincent on a charge of employing an unlicensed beauty operator.

The employe, Jean Campaneli, 38, received a fine of $30 and costs for practicing cosmetology without a license.

The charges were brought by State Inspector of Cosmetology Gertrude Treadway.

Progress Made On County Roads

Repair Program At Halfway Point

With surface treatment completed on Columbiana County roads, work was begun on another phase of county road improvements.

That is the application of bituminous topping to highways which need more than the surface treatment.

The job is being done by the Ohio Tar & Asphalt Co., which was awarded the overall $124,000.61 contract for county road repairs last April.

Work was started June 16 after county commissioners had let the contract, County Engineer Charles O. Snyder said.

The surface and oil treatment of county and township roads was done first.

In all there are 79 projects, covering 120 miles of road, 90 miles being classified as township roads.

The Ohio Tar & Asphalt Co. expects to complete the program by Oct. 1, the county engineer said today.

Perry township roads in this area being improved are the county line road just north of Salem, the Cider Press road southwest of Salem, and the Easterly Line Road east of town. The county line road to the north already has been treated between the Albany and Ellsworth roads. It will be improved west to the Goshen road.

The county engineer's office is busy with the Furnace road grading near Lisbon. The stretch has been graded to the Boy Scout camp and one of two new bridges installed.

Students Assume Municipal Duties

Five Salem High School students were on hand at the City Hall early this morning to assume their "duties" in the safety and administerial departments as part of the Jaycee Youth Week program.

The youths and the capacities in which they will serve are: Bob Sebo, mayor; Ray Hertel, police chief, Mon McCormick, safety-sehvice director, Dick Gleckner, fire chief and John Litty, water superintendent.

The boys will be directed throughout the various municipal departments and shown the functions and duties of the city employes.

3rd Annual Old Maid's Day Aims To Help Out Girlstown

DENTON, Tex. (AP)—Bet you had forgotten about Aug. 15.

It's Old Maid's Day!

In Denton, Tex. In the whole big state of Texas. Anywhere there's an old maid with the good humor to admit it and a good friend to celebrate it.

The old maids have been so successful in their self-proclaimed day that they want to share.

This year—the third annual year of celebration—the big day's founder and patron saint says they should help out a sister old maid.

The founder is Miss Dorothy Babb, North Texas State College Latin teacher of the upswept gray hairdo and the twinkling eyes, the one who gets introduced the year round as THE old maid.

"I'm just about worn out with it all," she said.

"Some of us got to thinking we ought to help out another old maid."

Now the other old maid is Miss Amelia Anthony, 37, who founded Girlstown, U. S. A., out on the West Texas prairies, just a few years ago.

Miss Anthony sent her best wishes to the Aug. 15 celebration in Denton last year and became a member in good spinster standing.

"We thought people who wanted to give a gift to an old maid could do it by making a donation to Girlstown in the name of some old maid," Miss Babb said. "Why, just this week I got a $5 check for Girlstown."

The old maids in Denton haven't make any definite plans about helping Girlstown yet.

They're going to have a party at Miss Babb's house Aug. 15 and talk about it.

Denton took the good-humored old maids to heart in 1950 and 1951, and the town is going to do it again. There'll be a free picture show, free soda pop and popcorn and all that and gift certificates from the merchants.

Miss Babb has gotten stacks of letters in recent weeks from old

Mike DiSalle Considers TV "Talkathon"

TOLEDO, O. (AP)—If his campaign funds permit, Michael V. DiSalle would like to use a television "talkathon" as a campaign technique.

DiSalle is the Democratic candidate for the U. S. Senate, attempting to unseat the Republican incumbent, John W. Bricker.

As yet the Toledoan's plans are in the tentative stage, but he says he would like to use the technique—early in September—if the money and available air time permit.

Columbus might be chosen for a six-hour television broadcast, he said, with other cities to follow.

The "talkathon" consists of putting a political candidate on the air for hours. He answers questions telephoned in by the listening or viewing audience.

Ohio AFL Reelects All 1951 Officers

CINCINNATI (AP)—AFL delegates to the 67th convention of the Ohio Federation of Labor prepared to wade through a small mountain of resolutions today before adjourning their meeting.

The union men reelected all their officers Wednesday for three-year terms, after approving a resolution calling for a strong civil rights law and endorsing a fair employment practices act.

Among the 79 resolutions brought before the body are those demanding repeal of the Taft-Hartley law, urging union recognition for public employes to give them the right to strike, and several asking the death penalty for sale of narcotics to minors in the state.

Reelected to office were: Michael J. Lyden, Youngstown, president; Phil Hannah, Cleveland, secretary-treasurer; and these six vice presidents; William Finegan, Cleveland; John E. Breidenbach, Dayton; Oliver Myers, Toledo; William Goldberg, Cleveland; John T. Thompson, Cincinnati; and A. J. Frecka, Akron.

Truman Agrees To Back Role

President Believes Stevenson Has Appeal

WASHINGTON (AP)—A friend of both President Truman and Adlai Stevenson said today that Truman told Stevenson he would stay in the background of the coming presidential campaign for practical reasons.

"First, the President is a practical politician and knows that Stevenson would be handicapped campaigning as a Truman understudy," this Democratic strategist told a reporter, with the stipulation that he not be quoted directly.

"Mr. Truman's main ambition now is to go down in history as a great President whose policies were continued. He knows that chance could be marred if a Republican is elected with a resulting change in major Truman policies."

This Democratic leader said Truman enjoyed saying publicly that he now is a buck private in the ranks after Stevenson's initial television appearances as the Democratic nominee.

"The President believes Gov. Stevenson made a fine impression with his acceptance speech at the convention," he continued.

"Unless Stevenson gets the spotlight and the President stays in the background Mr. Truman realizes that he may weaken a strong candidate.

"Gov. Stevenson has a real appeal as a new character on the national scene. He will expand and continue that by actually directing his own campaign."

All of this appears to fit neatly into indications now that any give-'em-hell campaigning by Truman or Vice President Barkley will be under complete control of the Stevenson organization.

Announcement that both Stevenson and Truman will keep their Labor Day speaking dates, which had appeared to be in conflict, seemed to confirm that Stevenson was in charge.

Stevenson will speak first, kicking off his national campaign in Detroit at noon. Truman will follow at Milwaukee with an evening speech at 9 p. m.

Joseph Short, White House press secretary, told reporters that Stevenson urged the President to keep his Milwaukee date during their meeting here Tuesday.

General Electric Unions Reject New Wage Offer

NEW YORK (AP)—Wage increases and other benefits offered by the General Electric Co. to some 200,000 of its employes have been rejected by two large unions representing a majority of the workers.

The unions are the CIO International Union of Electrical Workers (IUE) and the independent United Electrical Workers (UE).

G. E. Vice President Lemuel R. Boulware said his company's offer would give most workers increases ranging from 7½ cents to 13 cents an hour over current average wages of $1.75 an hour.

Township Clerks, Trustees To Hear O'Neill On Aug. 28

Attorney General William O'Neill will be guest speaker when the Columbiana County Township Clerks and Trustees Association holds its annual dinner meeting Thursday evening, Aug. 28, at the Winona Methodist Church.

The attorney general agreed Wednesday to the dinner date.

Several hundred are expected to attend the event, which is scheduled for 6:30.

Richard L. Hutcheson of Salem is president of the Columbiana county township clerks and trustees organization. Other officers are: Vice president, E. B. McCamon of RD Columbiana; secretary-treasurer, J. Neil McIntosh, RD East Liverpool.

Judge Charles Baker of Lake County, secretary of the state organization, has been invited to attend.

Attorney General O'Neill

Local Club Host To District Aeries

Quaker City Aerie Fraternal Order of Eagles was host to the Aeries comprising district 8, Sunday at 2 p.m.

Eighty delegates were present from Girard, Columbiana, East Palestine, Garrettsville, Leetonia, Newton Falls, Warren and Youngstown. District chairman, Mr. Kubrin; district director, Walter Willis, and district secretary, Carl Anthony were in charge of the business meeting.

Mahoning Aerie, Youngstown, furnished the degree team to initiate a class of candidates. Garrettsville Aerie was awarded the membership flag and Salem Aerie, the delinquency flag. These flags are awarded each month to the Aerie for the highest percentage on new members and the lowest percentage of delinquency for the district. Carmen Corhessero, state trustee of Ashtabula, on behalf of the state membership department, gave an interesting address on "Membership in the Fraternal Order of Eagles." After the meeting, the Salem Aerie provided refreshments and entertainment.

Michael Yunk, president; R. B. Smith, secretary; and John Wonner, headed the committee in charge of arranging the meeting for the Salem Aerie.

Slip Of The Typewriter

An error in copy caused an editorial headed "End of the Hayride" to include a statement that Alger Hiss had been given the sympathy of the secretary of state and the Democratic candidate for governor.

This should have read "Democratic candidate for President." The reference was to Adlai Stevenson, governor of Illinois.

This newspaper had no intention to refer in any way to Frank J. Lausche in connection with the Hiss case and regrets the slip of the typewriter which caused the error.

The Old New Guard

Since the enigmatic phrase "old guard" now bobbing up in Democratic canventions, Republicans obviously have no patent on it.

Democrats, like Republicans, have changed the guard for the national campaign of 1952. Both parties have turned to new personalities for their presidential tickets. Both have staffed their party organizations with people relatively new to national politics.

The new Democratic national chairman, Stephen Mitchell, is virtually unknown. Like Gov. Stevenson, the presidential nominee, he is supposed to appeal to voters because he is independent of "old guard" personalities and ideas.

It always has been the characteristic of major parties to do this. The new guard that replaces the old is new only in the sense that its members are newcomers; the idea is as old as politics.

In the long view, the newcomers become old-timers and by that token become an old guard, themselves When that happens, they try to survive in the face of challenges hurled at them by a new set of "young Turks." Having accepted responsibility and borne it, they seek to hold it until someone else worthy of responsibility appears.

Because it never seems that the challengers are worthy, the old guardsmen always go down fighting, a pattern of human conduct which occurs throughout the folkways of all history.

Tribal chieftains grow old in service and are supplanted by younger men, provided the younger men are strong enough. The younger men, in turn, grow old and are supplanted by younger men—never without a struggle.

It will be claimed that the old guard now has disappeared in both parties. But only the thoughtless will forget that the new guard now has started to become an old guard which some day will be supplanted by a newer guard.

Ins And Outs Of Politics

The safest bet anyone could make in 1952 is that Harry Truman will let Adlai Stevenson run his presidential campaign to suit himself.

Mr. Truman could have had the Democratic presidential nomination, himself, if he had wanted it. He chose, instead, to let it go by default.

Having spent most of his adult life in organized politics, where the rules of procedure are well established, he knows better than to do anything which might spoil his successor's chances.

From the standpoint of those who believe the time has come at long last for a change in executive control, it is silly to waste time on wishful thinking about friction in the Democratic camp.

The Democrats are in power and intend to stay there if they can. When the chips go down, they will be standing shoulder to shoulder —the solid southerners with the socialist northerners, the young radicals with the old colonels, the labor politicians with the seniority set, the machine voters of the big cities with the unreconstructed rebels of Virginia.

There are infinite possibilities of friction, just as there have been since 1936. But the will to survive is stronger than the will to squabble.

That is the advantage the ins have at the outset of every presidential campaign. That is why it is virtually impossible to oust them, unless they have worn out their welcome. With some 10 million payroll voters as an anchor, the ins have made double sure in 1952 that they will take some ousting.

The outs who hope to do it will do well to waste no time waiting for the ins to cut their own throats.

There will be no feudin' or fussin' that will hurt their chances on election day.

Taft-Hartley Joker

An after-thought on the union-shop issue in the steel industry is that the Taft-Hartley Act permits a much tougher settlement than was agreed on in the strike settlement or recommended by the Wage Stabilization Board.

WSB did not think it dared to go that far in its recommendations, yet went far enough to set off a reaction which caused Congress to reduce the board to impotency in future industrial disputes.

The Congress which convenes next January should restudy the union-shop provisions of the Taft-Hartley Act with a view to making certain that no federal law deprives any American citizen of the right NOT to belong to a labor organization which is NOT of his own choosing.

White House Error

By DAVID LAWRENCE

Truman Has Military 'Brief' Stevenson

Continuity of policy—the Truman administration would move out on January 20 next, and the Stevenson administration would move in, and the only thing that would change would be the personalities.

This is the impression conveyed by the Truman-Stevenson meeting and the public statements thereafter.

"The meeting has been very satisfactory from my viewpoint," said President Truman afterward, and it could hardly be "satisfactory" unless the Democratic nominee is prepared to campaign in defense of the policies of the Truman administration and to pledge their continuance.

Governor Stevenson himself said afterward that he had had "a very satisfactory and reassuring and gratifying talk with the President about the campaign."

—:—

THIS, TOO, can mean only one thing—that the Democrtic nominee wants Mr. Truman to campanign for him and that the two men see eye to eye on the fundamentals of the New Deal and Fair Deal which have been a part of the Democratic administration policy.

There have been some publicity efforts to make it appear that Mr. Stevenson doesn't want Mr. Truman to campaign too vigorously or in the Truman style. But this may be wishful thinking on the part of those who fear the President's campaign technique or who think Republican votes can be won for Stevenson by playing down his intimate association with Truman.

The truth is the Illinois governor will not only have to accept Truman's campaigning but he will have no way of showing his disapproval of it—if, indeed, he should think it merits disapproval. Mr. Truman is confident that he won the 1948 contest by his personal efforts with certain labor and minority groups and he is as deeply convinced that the same thing ought to be done in the present campaign as he was four years ago.

What the Truman-Stevenson meeting inplies—and quite logically—is that the President is anxious that the American people give him a vote of confidence in November. Every vote for Stevenson, in effect, becomes a vote of approval of the Truman administration in much the same way that a vote against the Democratic party is a vote to repudiate the Truman policies.

—:—

THE TRUMAN RECORD may be unpopular with Republicans and with some Democrats, but it is the basic ideology of the majority of the Democratic Party and, as such, it would be political treason for Governor Stevenson to turn his back on the doctrine. If he had intended to dilute his campaign by showing disapproval of any Truman policies, he would hardly have come to Washington for such a public demonstration of unity on the White House doorstep.

The Truman-Stevenson meeting, like the Wilson-Cox meeting in 1920, gives a clear indication of the strategy to be followed in the campaign thereafter. It means that, whether the President makes a few or many speeches, whether he covers all the points in defense of his record or only a few of them, the Democratic nominee has chosen to stand before the people on that record.

There was one bit of bad taste in connection with the Truman-Stevenson meeting. It does seem improper for Mr. Truman to drag in the high military officers and ask them to give the Democratic nominee a "briefing" on information presumable not available to the general public. There is no more reason why the Democratic nominee should be given confidential and classified information than there is to call in all the Republicans and Democratic nominees for the senate and the house and gave them the same data—which, of course, will not be done.

—:—

NOR IS THIS to be remedied by calling in the Republican presidential nominee and "briefing" him, as has been suggested. Both nominees are private citizens. They are not entitled to any more information about military intelligence than is any other private citizen.

The presence of military officials at the political luncheon makes it appear that the military officials are an adjunct of the national political campaign. It would have been far better from the standpoint of non-partisanship if they had not been summoned to the White House to meet the Democratic nominee.

If any part of the government should be kept out of politics, it is the military department. Republican sons as well as sons of Democrats are dying in the Far Eastern war and many, many thousands more from both political parties are about to be drafted to carry on the undeclared war in Korea.

Egypt And Iran

By JAMES MARLOW

WASHINGTON (AP)—The rich men of Iran and Egypt had been blocking progress from time immemorial and then, astonishingly, they got their come-uppance in both places on the same day this week.

In Egypt Maj. Gen. Mohammed Naguib, who tossed out King Farouk, decided the estates of the rich should be broken up and divided among the poor.

And in Iran Premier Mohammed Mossadegh, the mooner and moaner, decreed that the rich who have been paying no taxes, should not only pay some but divide their profits with the poor.

There was nothing new about the realization that social reforms were needed in both countries. They had been talked about for years. But the rich, who ran the governments, kept them strictly in the talking stage.

Because past promises and plans have been unfulfilled, the rest of the world can be excused if it waits a little dubiously to see whether this time the promises become a reality.

And there is a noticeable difference between the reforms proposed by the general and the Premier: Naguib's plan calls for taking land from the rich to give to the poor; news from Iran doesn't indicate Mossadegh intends splitting up estates.

In Iran a relatively few rich families control the wealth and the land. Some of them own hundreds of villages with the surrounding land worked by peasants as sharecroppers.

Mossadegh, himself one of the big landowners and never distinguished for reforms in his property, was pushed into his present proposal by necessity: an economic jam and the Communists breathing down his neck.

He ordered the landlords to turn over 10 per cent of their income from estates to the sharecroppers. They must also deposit in special banks another 10 per cent of their cash income for the aid of needy farmers.

When he scuttled Farouk, Naguid picked as his civilian Premier Aly Maher. When Maher this week suggested only mild reforms, if any, Naguib stepped in to say what he wanted done fast:

According to reports from Egypt, this is it: No individual or company can own more than 200 acres of farm land. The state would take the rest, pay the owners but the prices of 13 or 14 years ago, and redistribute the land among the landless poor and the peasants holding less than two acres.

Those receiving the land would pay the government for it over 30 years in annual installments at low interest rates.

Federal Appointees

Since the Democrats took over Washington in 1933, two Administrations have appointed 532 Federal judges, according to records of the Congressional Library. Of this number, 494 have been Democrats and 38 Republicans.

Judge J. Earl Major, senior judge of the U. S. Court of Appeals at Chicago, in a speech critical of politics in appointments to the bench said: "The same system employed for the appointment of game wardens and dog catchers is, with some refinements, followed in the appointment of federal judges."

Improving property seems to be the act of cutting down beautiful trees and putting up a gas station or garage.

The price of sugar should be ashamed — taking candy from a baby!

If judges want to cut down on crime waves, let them be more liberal with other people's time.

A drug official says the public's demand for better health amounts to a half billion in drug sales annually. Well, well, well!

This is the sort of weather that makes you spend all day getting out of doing a morning's work.

Benevolence Sure Is a Screwy Business

Extraterritorial Privileges

By GEORGE E. SOKOLSKY

Congress passed and the President approved the following law: "Be it enacted by the Senate and House of Representattives of the United States of America in Congress assembled, that, under such terms and conditions as he shall determine, the President is hereby authorized to extend, or to enter into an agreement extending to the representatives of member states (other than the United council of the American States, and to members of their staffs, the same privileges and immunities, subject to corresponding condtions and obligations, as are enjoyed by diplo-

George E. Sokolsky

Nobody seems to bother about United States."

Nobodyy seems to bother about such matters any more, but here is an additional group of aliens who are given privileges in the United States which American citizens do not enjoy. Everybody connected with the United Nations, down to the chauffeurs of the underlings, enjoys the privilege of extraterritoriality.

—:—

ONE DAY last winter, I was coming out of a restaurant in Rockefeller Center, when I saw a policeman politely, almost deferentially, telling the chauffeur of one of those U.N. cars to move out of a space where no one is permitted to park. The chauffeur resisted the suggestion, insisted up his privileges, but as a crowd gathered, he finally thought of the effects of public opinion on his country which was undoubtedly getting a subsidy from us on one pretext of another.

I asked the harried policeman why he did not tell the so and so to get the hell out of there as he would do to any American under similar or the same circumstance. He answered that it would result in a diplomatic crisis with the State Department writing a formal note to the mayor of New York.

Extraterritoriality is a courtesy reserved for diplomats with the object to freeing them from restraints by the counttry to which they have been delegated. It is a privilege which is nearly always abused. From the diplomat, as a person, it has been extended to his household and to his office staff and to those who service them. Its extension has been abused by some countries giving diplomatic passports to those who have no right to them, including spies.

It is true that just as the United States grants extraterritorial privileges to foreign diplomats, so they are granted to our representatives abroad. The difference, however, is that many or even most of the international organizations, such as the United Nations, are now situated in the United States and there are therefore too many persons in this country who enjoy extraterritorial privileges.

In New York, the United Nations people get a special license plate with UN on it to warn anyone not to get into trouble with the driver of that car as he need pay no damages, need carry no insurance and cannot be arrested.

—:—

THIS IS an extension of extraterritorial privileges beyond wisdom or necessity. I lived under extraterritorial conditions for nearly 14 years and can witness that consular officers of some European and Central and South American countries sold passports and extraterritorial privileges. There was a law firm in Shanghai that specialized in this business and very profitably.

I knew in Shanghai the Chinese who specialized in the opium trade and they always were able to have the protection of persons enjoying extraterritorial privileges. The system was so scandalous, its abuse so notorious that it became one of the principal objects of an anti-foreign movement and was finally abolshed in a series of new treaties negotiated with Chiang Kai-Shek's government.

When only a few responsible persons enjoyed extraterritorial privileges, the abuses were likely to be unimportant. But when the system is extended wholesale to include chauffeurs and cooks and office-boys, the degree of responsibility must be lessened.

—:—

SOMEDAY, there will be a murder or a dope-peddling case, or the smuggling of jewels in diplomatic pouches for private sale—and then the fat will be in the fire.

Meanwhile, would it not be smarter for a congressional committee to study extraterritoriality in the United States, how it operates, who is privileged to enjoy it ,how it applies to our traffic laws, to the payment of personal bills, and the dangers of abuse? Then let there be a full report on the subject so that the American people might know just what we have been let in for.

Business Outlook

By SAM DAWSON

NEW YORK (AP) — Businessmen are swinging around to a happier frame of mind—if various pulse-takers are to be credited.

Fears of depression, so pronounced earlier this year, apparently have been shelved.

Manufacturers, wholesalers, retailers, bankers, stock brokers and some government officials are lining up on the side of the optimists in appraising prospects for the rest of the year.

A poll of 1,277 business executives by Dun & Bradstreet shows the majority looking for increased sales volume the rest of the year, and most of them expect their operations to be profitable.

Nearly all plan to maintain present employment levels and some expect to hire more men.

Sixty-five per cent believe present prices will be maintained for the rest of the year. Sixteen per cent look for higher prices, while 19 per cent predict their own selling prices will be lower.

Those who believe price levels will be fairly steady appear to have a comrade today in Commerce Secretary Sawyer. He says the prophets of inflation who have been predicting sharply higher prices as the result of the steel wage-price boost and the drought are just guessing. He says the facts so far don't bear them out.

Another group that believes the country can expect a generally high level of business activity the rest of the year is the credit Policy Commission of the American Bankers Association. It is particularly pleased by the "general improvement in the inventory position of several business classifications, notably textiles and household furnishings.'

Most of the businessmen polled by Dun & Bradstreet also believe inventory troubles have been ironed out now. The majority expect inventories to stay at present levels, although some are still engaged in paring them.

So They Say

There is an interlocking relationship of communism in the United States with communism elsewhere. — Martin Dies, former chairman of the House un-American activities committee.

I was fed up with this utter hypocrisy. We walked out. — UN chief truce negotiator Maj.-Gen. William K. Harrison.

There cannot be further discussion of our giving up territory now held.—Yugoslavia's Marshal Tito.

Give me any song, bad or good, it doesn't matter, and I'll make it a hit. I'm one of the most popular men in town (Hollywood). —Song pusher Tubby Garron.

I'm a country bumpkin and proud of it.—Democratic vice-presidential nominee Sen. John Sparkman of Alabama.

Ties and coats are sadistic (in the summertime) and show a lack of common, ordinary intelligence.—Norfolk, Va., Public Health Director M. M. Huff.

Uncle Ef Says

The undertaker remarked the other night that probably nobody in town realized more than he did how dead a man is when he's buried. At the same time, he said, he felt Washington, Lincoln, Jefferson and Jackson were entitled to a good rest after the working over they got at the National Conventions.

Once Over

By H. I. PHILLIPS

Beanballing Cupid

"Gimme a rhyme for the line 'We two at one will take life's journey,' " the man urged.

"How about this one: 'Each with at least one good attorney'?" we came back.

"Okay. I got another line in this new sure-fire tune," the man said. "It's 'Till the end of time we'll happy be.' How about a rhyme for that?"

"Until I sue you or you sue me," we suggested.

It was clear that we had both been reading the stories of too many Hollywood and Broadway matrimonial scandals. Everywhere the effect of them is currently noticeable. The cabbies croon, "If you love me like I love you, I'll see my lawyers; you see yours, too." Nitery doormen hum songs in which they rhyme June and moon with "suin'." Waiters are singing, "I'll be your Romeo, you be my Juliet. What fun to see what dirt on one another we can get!" Love is taking a beating. The state of matrimony, which should make love a holy thing, is getting a slugging with all the publicity of a superdooper production.

—:—

BROADWAY IS NOT unaccustomed to beanballing Cupid. But it is left a little groggy by recent divorce actions, especially by a current one involving two of show business's most publicized figures, no punches barred. How strange is the world which sings of eternal love and deathless devotion, where countless jukeboxes, orchestra and nitery bands blare tunes of unfading love and the kiss of fire, to behold a man and wife heaving everything but the iron garden furniture at each other! Here in the world of fun and amusement which lives on the boy-meet-girl motif, the sentimental story and the happy ending, love is getting kicked all over the joint.

Every rule of the entertainment world is busted. The little woman takes the unnecessary roughness, the curtain is lowered and raised again and again on the hero taking a bow after dragging Our Nell around by the hair. . . . the orchestra using brass instruments and kettle drums only, playing a reprise consisting of "March of the Gladiators," "It's Love That Makes the World Go Round," the "Battle Hymn of the Republic," "Kiss Me Again," "Sue Me," the "Legal Staff Boogie-Woogie' and "It Takes a a Heap of Litigation to Make a Place Called Home." We see a super Broadway musical with bits from Macbeth, King Kong and Hamlet. There are interludes suggesting a merger of Midsummer Night's Dream with Icy Hockey.

The super spectacle boy-meets-girl productions have arrived in the world of entertainment. They could be called, "The Showup Must Go On." But even some extra-hardened and cynical show people are walking out on them. And without the customary cracks, "After all, it's what the public wants," and "It might be okay if they clean it up."

—:—

ALY KHAN is at Saratoga occupying the home of the late famous Irish tenor, Chauncey Olcott. . . . Wonder what happens when the leprechauns that must linger around the old home run into a couple of djinns and caliphs . . . . "Women's Golfer Tourney Set for Rye" —headline. . . . But Scotch and gin are optional, we hope. . . . A new federal Wage Stabilization Board has been named. . . . It ate a hearty breakfast and walked unassisted to the job. . . . "Arnall Out"—headline. . . . Nothing seems to drop under the Office of Price Controls except the heads of top men. . . . There are so many panels on video that people are beginning to scream, "What, Another one!"

People who say they have always wanted to help others but haven't known what to do might consider the example of the late Mrs. Leonora B. Cohen of New Rochelle, who devoted most of her adult life to translating books into Braille for the blind. . . . She translated more than 100, including Gone with the Wind and Anthony Adverse. . . . And in her will left her eyes to the Eye Bank for the Sightless . . . . Shudda Haddim missed "Albion" at a price the other day. . . . Patrol Warns Of Peril At Intersections

Two-car collisions at intersections now account for about one out of every 10 traffic fatalities throughout the country, Edward W. Mallery, officer in charge of the Salem State Highway Patrol barracks, said today in a statement warning motorists to be careful at all crossings.

Pedestrians killed at intersections account for about one out of 20 of all fatal accidents, and in cities the proportion goes up to about one out of four.

Cup. Mallery reminded drivers and motorists to remember these points when approaching intersections:

1. Where there is no other guidance, you must yield right of way to a vehicle that already has entered an intersection, or to a car on your right, if you are both about to cross.

2. Obey all signs, signals and pavement markings, particularly at highway, street, or highway railroad intersections.

3. Right of way should always be yielded to the pedestrian.

4. The pedestrian or vehicle—whether right or wrong—does not deserve punishment at your hands, even if it is within your power to punish.

5. You can make safety at intersections a sure thing when you drive—by following the "Signs of Life," the rules of safe driving, and by driving in such a way that you always can avoid an accident.

Your steam iron should be emptied as quickly as possible after using, and while the iron is still hot. This will dry out any water remaining in the iron.

200 Attend Jaycee Youth Week Dance

Paul Kuhns and his orchestra, members of the Salem Musicians Union, performed at the gala dance enjoyed by 200 young people Tuesday evening in the Elks home as a part of Youth Week sponsored by Salem Jaycees.

The members of the Elks provided their floor for dancing at the successful affair planned by William Schnurrenberger, Robert S. Watterson III, Jerry Iler, Frank Hagan and Matt Melitschka.

Boys who have been chosen to conduct the city government Thursday were introduced at the meeting and Mr. Melitschka told briefly of the civic day plans. Jerry Diehl is Jaycee president.

Need of drivers for the trip to Cleveland ball game Saturday is stressed by Jaycee officials who are hosts at the annual pilgrimage of Salem youngsters.

All those planning to go are to meet at the Memorial building at 8:30 a.m. Saturday to achieve again this year the title of "first in ght stands" at the ball park.

Convention Plans Made

When Columbiana County Christian Endeavor officers met Tuesday evening at the Phillips Christian Church, it was decided that the 1952 convention would be at the Dellsville Christian Church Oct. 5.

Members are going to charter a bus from East Liverpool to travel to Pittsburgh the first week in September to hear Billy Graham.

Another meeting is contemplated before the convention.

Masonic Groups Make Picnic Plans

A picnic for all Masonic groups is scheduled for Friday, Aug. 22; at pavilion 3, Firstone Park and an invitation to attend was received by members of the Knights Templar Auxiliary at their dinner meeting held jointly Tuesday evening with the Knights in the Masonic Temple.

The dinner hostesses were also members of the program committee and included were Miss Josephine Bennett, Miss Lucille Bennett and Mrs. M. A. Kelly. Garden flowers were used to decorate the tables. Perry Robb and Mrs. Lewis Brown presided at the Commandery and Auxiliary meetings respectively. Contests were enjoyed.

Executive officers of each of the six Masonic organizations comprise the committee in charge of the picnic to which the members may bring their families and guests. On the committee are Russell Moore (Perry Lodge); Clyde Dickson (Salem City Lodge); Mrs. Myron Riegel (Eastern Star); Perry Robb (Commandery); Eric Nyberg (chapter) and William A. Lewis (council).

The picnic is sponsored by members of the Eastern Stars, Perry and Salem City Lodges. At 3 p. m. on the day of the picnic cards will entertain. At 6:30, a buffet coverdish supper will be served and at 7:30, games for both young and old will be on the agenda.

Diane Mundy Feted On Seventh Birthday

Miss Diane Mundy of the Goshen Rd. was delightfully honored when the little girls of her class called on her Satuday afternoon to help celebrate her seventh birthday.

Games were played, with prizes going to Jackie Jones, Mary Clare Corso, Maureen Washill and Marilyn Miglarini. The table from which refreshments was served, was centered with a Jack Horning pie with yellow streamers going to each child's place. The streamers, when pulled, revealed a gift for each girl. Balloons and party hats were also given as favors.

Diane was the recipient of many lovely gifts. Her cousin, Miss Betty Louden of Hanoverton, was an out-of-town guest.

Catherine Neel Is Bride Of Richard Davis

Miss Catherine Neel, daughter of Mrs. Clara Neel of Hanoverton, and the late Clyde Neel, became the bride of Sgt. Richard Davis, son of Mr. and Mrs. Garland Davis of New Garden Friday.

The wedding took place at 2 p.m. in the Christian Church in St. James, Mo. The groom recently returned from 11 months duty with the second division in Korea and is now stationed at Fort Leonard Wood, Mo. He received two purple heart awards while overseas.

Rev. Fred Barber officiated at the double ring ceremony.

The bride was attired in a street length dress of white organdy, appliqued with lace flowers. She wore a shoulder length veil with matching white accessories. Her single strand of pearls was the gift of the groom and her corsage was pink rosebuds. The "something" tradition was carried out in the bride's costume.

Miss Wanda Marquis was maid of honor Her street length dress was designed of floral organdy. White accessories and a corsage of red roses were used as complements.

Richard Neel, brother of the bride, served as best man. Gifts were presented the attendants.

For her daughter's wedding, Mrs. Neel wore a gray suit with lavender and white accessories and her corsage contained lavender pompons. Mrs. Davis chose a beige suit with white accessories and a yellow pompon corsage.

The Travel Lodge at Rolla, Mo., was the scene of the wedding dinner. The bride and groom are both graduates of Augusta High School and the groom also graduated from Akron Barber College.

The new Mrs. Davis is employed at the G. C. Murphy Co. Sgt. Davis will be discharged from the service Sept. 4.

OSU Alumni To Meet

Columbiana County Chapter of the Ohio State University Tlumni Association will hold its annual picnic Thursday night at Firstone Park near Columbiana.

Tom Johnson, Alumni secretary, will be present and movies of the Ohio State spring football practice and the school's swimming team will be shown.

LITTLE SHAWL COLLAR AND BIG, BIG CUFFS

Nice contrast: the gentle little collar, the big, bold cuffs. This coat is beautifully seamed front and back and comes in distinguished new woolens. Like all Ken Whitmores, it has a luxurious Skinner rayon satin lining, Armo interfacing, an inside glove pocket, piped facings and storm tab, and looks far more expensive than its low price. $49.95

Pork, Eggs, Poultry, Potato Prices Move Higher This Week

By The Associated Press

Retail prices of pork, eggs, chicken and potatoes moved higher in many stores this week. The only foods generally lower were a handful of fresh fruits and vegetables.

Most fresh cuts of pork advanced with some of the more popular items like center-cut chops rising as much as eight cents or more a pound. Smoked hams and shoulders and bacon rose less or held unchanged.

Pork usually is relatively expensive at this time of year when hog marketings are on a small scale. A few dealers said recent quarantines of some stockyards to halt the spread of a disease which affects only hogs also may have helped tighten supplies.

Top grade large eggs climbed two to eight cents a dozen, also reflecting a seasonal shortage as hot weather trimmed production and farmers culled their laying flocks of older birds and replaced them with younger pullets.

Butter prices at the wholesale level edged higher as more milk was diverted to fluid channels and ice cream manufacturers.

Broiler and fryer chickens were up as much as eight cents a pound in some areas. This was partly the result of production cut-backs several weeks ago when prices were lower, and partly the result of higher feed prices stemming from the recent drought.

Beef, lamb and veal prices held at about last week's level except where storekeepers posted special reductions to attract customers.

Spinach and lettuce also worked a little higher, but beets, cabbage, celery, eggplant and peppers were lower in most markets. Corn, cucumbers and onions were in the good buy class pricewise.

As for fresh fruits, peaches, canteloupes, honeydew melons, lemons, limes, cherries and eastern apples all were a little lower, and grapes were down sharply.

Pears were described as of excellent quality and were among the best fruit buys.

This is National Turkey Week and many store chains and large independent markets featured turkeys at special prices. Other foods frequently mentioned as specials for shoppers in the next few days: rib and chuck roasts, prime ribs of beef, fowl, cooked hams, grapes, peaches, pears, canteloupes, corn, cheeses and fresh and frozen fish.

Our Next President

Who will it be? Stevenson or Eisenhower?

Right now no one really knows who will be elected next Nov. 4.

However, a poll of Salem News readers could show who is expected to win.

In an effort to sound out the sentiment of Salem district voters, The News is printing this straw vote questionnaire with the hope that interested citizens will mark their choice for President, clip out the questionnaire and mail it unsigned to the Political Writer, The Salem News, Salem, Ohio.

Ex-Red Charges Ohio College Plagued With Communists

WASHINGTON (AP) — The Senate Internal Security Subcommittee has been told that almost 40 per cent of the student body at Antioch College, Yellow Springs, Ohio, "support all the activities and the line . . . as the Communist Party on the campus hands it down."

The testimony by Harvey M. Matusow of Dayton, Ohio, a former Communist and onetime undercover agent for the FBI, was given behind closed doors last March. The subcommittee made it public today.

Matusow, who has discussed his experiences in the Communist youth movement with several congressional and governmental bodies, then was on the staff of the Ohio Un-American Activities Commission.

The witness said that six per cent of Antioch's 1,200 students were "actual card-carrying members" of the Young Progressives of America (YPA), which Matusow and others described as a Communist front.

Questioned further, Matusow said:

"Conservative estimates of the influence of YPA on the rest of the student body, and that is on the basis of certain investigations that were conducted down there, were that almost 40 per cent of the student body, or about 500 students at that school, support all the activities and the line as the YPA hands it down, and as the Communist Party on that campus hands it down through the YPA."

Matusow also told the investigating senators of other Communist activities he said he knew of in Yellow Springs.

He noted that the Rev. Richard Morford, whom he labelled a Communist, had spoken at Antioch, adding:

"Also in the Yellow Springs community are a number of people who have known membership in the Communist Party, and they are still quite active."

Matusow recalled that four years ago, a YPA club was organized in Dayton high schools. He said it had a few hundred members.

"That organization has disintegrated; that is, the activities have stopped in Dayton," he continued.

"That is the only Ohio city where they have ceased, but the people who were active in YPA in that period are still supporting the Communist Party line, as we have found out in Ohio."

HOTEL OWNERS SUE

CLEVELAND (AP)—Emanuel Elite and George Bourlas of Canton have filed a suit for $94,050 in Federal Court against W. T. Grant Co. of New York. The owners of the Arcade Hotel contend their building was weakened when the Grant firm tore down an old structure and built a new one next to the hotel in 1950.

Ohio Cities Can Build 1,836 Housing Units

WASHINGTON (AP) — Ohio can build 1,836 low rent housing units in six cities during the next year, the Public Housing Administration announced Wednesday.

The PHA allotted 200 units to Lorain, 100 to Mansfield, 300 to Youngstown, 336 to Cincinnati, to Cleveland and 500 to Columbus.

Housing authorities in those cities may proceed with plans to build the units, but must get PHA approval before asking bids.

Rep. Bolton Named To GOP Speakers Post

WASHINGTON (AP)—Rep. Frances P. Bolton of Ohio was named an assistant chairwoman of the Republican National Speakers Bureau of the House and Senate Campaign Committees Wednesday.

Roving Reports By HAL BOYLE

NEW YORK (AP)—Oh, for the life of a nudist!

Everybody is born a nudist, but most people outgrow it.

Nudists are having their woes these days. A group in England is plagued by a nude stranger who pops in and out. And another group, the American Sunbathing Association, meeting at Mays Landing, N. M., are acting more like Texas Republicans as they quarrel over the selection of officers. Two factions are competing in a naked grasp for power.

Television is missing a bet by not training its cameras on this unconventional convention, attended by delegates from 30 states. It should be more interesting than the recent antics in Chicago.

You can imagine the announcer saying:

'We now bring you an interview with Delegate Zilch. He's the one with the mole in his right shoulder."

As a matter of fact the national scene is ripe now for a nudist candidate for president. He could certainly prove he had nothing up his sleeve or wasn't trying to hide anything from the voters.

He could campaign (everywhere except in Boston) on the platform "the people are entitled to the bare facts." But his nudist followers would be under one handicap:

They wouldn't have any place to pin their campaign buttons.

Nudism is an old cult that has waned and flourished for centuries in many different countries. But its practitioners have had little real effect in their effort to get civilized man to face life wearing nothing but a suntan and a guilty look.

A naked savage is a fairly graceful human animal, because he has gone without clothes since birth. In lands where mixed nude bathing is customary, such as Japan, one also quickly accepts the unadorned body as a normal sight.

But nudists in America strike the average citizen as neither graceful nor particularly daring. They are either depressing or mildly amusing.

The real argument against nudism isn't that it is immoral or unnatural. It is that it simply isn't practical anymore.

For one thing, civilization would probably collapse except for pockets. That is one of the soundest reasons for clothing. It gives a man something in which to carry his small change, his keys, his cigarets, his matches, and his driver's license. What could a nudist do about his driver's license—have it tattooed on his chest?

People wear clothing also because they like it. It brings variety into their life. They don't have to look alike every day. What does a nudist see? Only the same old freckles.

But the deepest reason why most people don't doff their raiment and go about their work and play like woodland fawns is human vanity. The truth is that 99 out of 100 people look better with their clothes on than off. Who wants to unveil nature's errors?

Willow Grove Lake Dam Contract Awarded

The G. P. Fleetwood Co. of Perrysville, Pa., has been awarded the contract to construct a dam at Willow Grove Park in Lisbon on a bid of $18,361.

The Pennsylvania concern was the lowest bid of three received but was $861 higher than the estimated cost of $17,500 for the project on the Middle Fork of Little Beaver Creek.

The lake to be formed will provide boating, swimming, skating and fishing. It will extend approximately three miles upstream to the McKinley Scout Reservation on the Logtown Rd.

Construction is expected to begin as soon as possible.

Ex-Bigamist Locked Out By 15th Wife

LOS ANGELES (AP) — The Ding Dong Daddy of the "D" line has taken his 15th bride, but he's in the dog house. She locked him out of their apartment last night, nine days after their marriage.

He is Francis H. Van Wie, 66, former San Francisco streetcar conductor, lion tamer and boxer. His disillusioned bride is 73-year-old Amelia Pritchard, Los Angeles widow.

"Why, he led me to believe he was a bachelor," she told a newsman from behind the barred door of her apartment. "No, he's not here; I don't know where he went. No, I didn't know he'd ever been married. I'm going to stay right here until I can make up my mind what to do. I have five children. It's hard to believe he has been married so many times."

Van Wie left home shodtly after newspaper stories told of his marriage to Mrs. Pritchard in Las Vegas, Nev., Aug. 5. She said he had been getting telephone calls, one after the other, after the news of their marriage became known.

Van Wie served a San Quentin Prison term for bigamy. He wooed his women on the San Francisco "D" line but neglected the legal formalities of divorcing them. When the law caught up with him and he was tried, he testified that he had been wed 12 or 13 times. He received three 10-year terms but was paroled in 1947 after serving two years.

Blimp's Propellor Kills Woman, 18, In Cleveland

CLEVELAND (AP) — The whirling propellor of a blimp parked at Cleveland's Lakefront Airport killed Mrs. Shirley Fuller, 18, of Wyandotte, Mich. today.

The blimp is owned by the Pfeiffer Brewing Co., a Detroit beer concern. Pfeiffer uses the 156-foot blimp to fly over downtown Cleveland advertising its product.

Police said they thought Mrs. Fuller became confused and walked into the propellor as ground crewmen were warming up the dirigible's two large motors. She was struck on the head.

Stevenson, Barkley Team Up For Speeches At Illinois Fair

SPRINGFIELD, Ill. (AP) — Adlai E. Stevenson teamed up today with Vice President Alben Barkley for a speech-making preliminary to his big presidential campaign kickoff on Labor Day with President Truman.

Stevenson, Democratic presidential nominee, and Barkley were slated to speak at the Illinois State Fair, where GOP vice presidential nominee Richard M. Nixon of California told Republicans yesterday Stevenson is a candidate of "the bosses."

Barkley and Stevenson will have a chance to answer that charge and make a few observations of their own in their appearance before a Democratic rally.

The formal Labor Day opening of the Democratic drive to put Stevenson in the White House will find the Illinois governor speaking at noon in Detroit while President Truman appears at 9 p. m. in Milwaukee on the same day.

Their Sept. 1 speeches will be sponsored by labor groups in those cities.

Beyond this opening day's strategy, the Stevenson command was reported to have adopted no firm campaign plans except the general agreement that Stevenson will carry the main burden of the attack against the Republicans.

The general plan resolved any conflict between Stevenson and the President over speaking dates.

Campaign strategy, speaking dates and itinerary are expected to take shape within the next 100 days after Stevenson's special strategy board meets here this week end.

This "brain trust" of nine party chiefs also will act as an advisory link between Stevenson's personal campaign headquarters and the Democratic National Committee headed by Stephen A. Mitchell of Chicago.

During the day, Stevenson will huddle with Barkley and also with Paul Fitzpatrick, New York Democratic state chairman, to discuss future plans.

Out of the Fitzpatrick meeting may come an agreement for Stevenson to speak to the New York State Democratic Convention Aug. 28. This would be the day following Stevenson's scheduled address before the American Legion in New York City, a speech which the governor's aides say will "not be political."

Stevenson's press secretary, William I. Flanagan, has said Stevenson will make a "whistlestop" campaign through the country this fall. Truman, it is reported, is expected to make a "variety of speeches."

White House aides in Washington have said that Truman's part in the campaign will not approach the 358-speech drive he made in 1948—that he possibly will limit his appearances to a half-dozen speeches in key areas.

$5 Billion Tax Problem Greets Next President At Inauguration

WASHINGTON (AP) — The next President faces an urgent five-billion-dollar tax decision as soon as he takes his oath of office.

The rather vague talk about possible future tax reductions, coming out of both the Eisenhower and Stevenson presidential campaign camps, strikes practical tax men here as interesting but somewhat beside the point.

That's because a lot of taxes are due to go down sharply, starting at the end of next year, unless the President and the 83rd Congress act affirmatively to keep them up. It will be up to the new chief executive to tell the lawmakers what he wants—which may or may not be what he gets.

It will be to the President's advantage to submit his tax recommendations promptly because it takes a long time to grind a tax bill through the congressional mill. The last one required almost nine months.

In drafting that increase, which went into effect last fall, Congress set definite cutoff dates for the increased rates. The veterans on the tax-writing committees recognized that a tax without an expiration date is, in practical effect, a permanent levy.

In the absence of positive legislative action next year, taxes are due to go down $5,280,000,000. There would be a cut of $2,280,000,000 in individual income taxes, $2,200,000,000 in corporation taxes and some 800 million in excise levies.

Individual income taxes are scheduled to revert to the last previous rates Dec. 31, 1953. The corporate excess profits tax would be cut in half for calendar 1953 and abolished for calendar 1954. The increase in the regular corporation taxes is due to run out April 1, 1954.

That also is the date for the scheduled cutback in a number of excise levies, including those on liquor, beer, cigarettes, autos and gasoline.

Washington tax experts frankly doubt whether either Gov. Adlai E. Stevenson or Gen. Dwight D. Eisenhower has been thoroughly briefed on the national tax problem.

Republican nominee Eisenhower says taxes have approached the point of hurting incentive and initiative. He talks of a 30 or 40 billion dollar cut in the budget, but then declares that a budget reduction doesn't necessarily entail a tax cut.

Eisenhower could get quite an argument out of any congressman on that point.

Gov. Stevenson's headquarters has buzzed recently with talk of a substantial reduction in the cost of rearmament by July 1, 1954. Since arms represent a major share of the U. S. budget, this is strictly tax-cutting talk.

Yet neither candidate has given any public recognition to the problem of that five billion dollars which must be faced up to next year.

Health To You

By EDWIN P. JORDAN, M. D.

Anemia Responds Well To Iron

Miss B. writes: "I have been doctering for secondary anemia for three years and can't understand why my blood count never shows any improvement.

Dr. Jordan

Miss B. raises the important problem of a condition which frequently puzzles not only the patient but the physician.

When there are too few red blood cells or not enough hemoglobin, the condition is called "anemia." For example, if a person loses more blood than the system can replace, anemia develops. If the blood loss occurs suddenly, the difficulty can be remedied promptly by stopping the hemorrhage and giving a blood transfusion.

If the loss is slow, it is necessary to find where the bleeding comes from and to stop it if possible. If this kind of anemia is severe, it may be necessary to give transfusions or take other steps, including the use of iron preparations — iron being an important part of hemoglobin or coloring matter of blood.

Other anemias are caused by poisons and by diseases. In each case it is necessary to find out not only that anemia is present but what the disease or toxic condition is which is responsible for the trouble.

Often the cause can be remedied and the anemia is then likely to clear up. If it comes from a poor diet, eating better food alone may be enough.

One kind of anemia comes particularly, but not exclusively, in women between 30 and 50 years of age. The cause of this anemia is a deficiency of iron due to several things, probably including defective diet and poor absorption due to disturbance of the stomach and intestines.

This results in a feeling of weakness, shortness of breath, nervous disturbances, dry hair, sore tongue and paleness. Fortunately, once it has been identified it responds well to iron.

Failure of the organs which make the blood may produce anemia. In this kind of anemia the difficulty lies principally in the bone marrow and is like that which comes from certain poisons.

Anemia is usually the reflection of something seriously wrong with the body. No one with severe anemia can feel well or can be normally energetic. It is often a tryiyng and discouraging symptoms.

With Our Servicemen

Pvt. Robert C. Bush, son of Mr. and Mrs. Martin Lutsch Jr., 997 W. State St., is now serving with the 43rd Infantry Division in southern Germany.

The division, a National Guard unit from Connecticut, Rhode Island and Vermont, joined the North Atlantic Treaty Organization in Europe last October.

Mark Sullivan Dies After Heart Attack

WEST CHESTER, Pa. (AP)—Mark Sullivan, 78, nationally - known newspaper columnist, died of a heart attack Wednesday night in Chester County Hospital.

In the newspaper business for 64 years, Sullivan was the author of several books, including his own autobiography, and once served as editor of Collier's magazine.

A life-long resident of Chester County—he was born in Avondale, Pa., near West Chester on Sept. 10, 1874—Sullivan was the youngest of 10 children. Hs parents were Irish immigrants who became prosperous Pennsylvania farmers.

Sullivan, himself greedy for education and ambitious for success, was a part owner of a newspaper at 19.

Lewiston Farmer Wins Contour Plowing Title

WEST UNION, O. (AP) — Martin Cummins showed the boys some real down-to-earth contour plowing Wednesday while Lawrence Goettemoeller dug the fanciest level-land furrows at the Ohio State Conservation Field Day matches.

Cummins, of Lewiston (Logan County), successfully defended his last year's championship in the plowing contests, which drew an estimated 25,000 spectators at the nearby Serpent Mound farm. Second to Cummins in the eight-man field, and an alternate to the national matches at Minnesota later this month, was Hugh French of Zanesville.

Goettemoeller, of St. Henry (Mercer County), wrested the level land plowing title from Franklin Stoner Jr., of Celina to recapture his 1950 crown. His alternate to the national competition will be runner-up Robert Henize of Seaman (Adams County).

Farmers Cast Ballots For PMA Committeemen

LISBON—Clifford F. Shaw, Columbiana county chairman of the Production Marketing Adminstration, announced ballots have been mailed for the election of PMA committeemen.

Every eligible farmer will receive a ballot for the election which opened today and runs through Aug. 29.

The committeemen will help administer PMA conservation and price support programs for 1953.

Sidelights On Annual All-Star Tilt

By FRITZ HOWELL

AKRON, O. (AP)—This and that about the seventh North-South All-Star high school football game and coaches' clinic:

Chuck Mather, mentor of Massillon's state champion Tigers, hopes to get his Masters Degree next summer from Kent State. The erudite Chuck is writing his thesis on "The Use of Visual Aids in Coaching and Evaluating Football Players." (He's talking about movies).

The North team will wear white uniforms, and the Southern Rebels the traditional gray in Saturday night's clash in the Rubber Bowl.

The 50 players, incidentally, are getting the best in food, served home style. "We're fattening them up for their college careers," the Akron sponsors say.

Ronnie Thomson, the South's 6-4 and 210-pound tackle - end from Zanesville, spent the summer at the University of Texas, but he'll enroll this fall at Ohio State where the coaches believe he's a "goodies."

Dick Shatto and Jim Ingeldue, Springfield's fine backfielders who were injured in an auto smashup while enroute here to play with the Rebels, will be guests at the game and sit on the South bench.

The game has been designated as a memorial to Eli Floasin, Copley coach who died several months ago. Eli was the district representative on the coaches' board of directors, and was instrumental in Akron being awarded the classic.

Press accommodation requests have been received from 72 newspaper and radio men for the All-Star tilt. Radio broadcasts are planned by WMOH of Hamilton, WHIZ of Zanesville and WHH of Warren, and other possibilities are WHKK of Akron and WIMA of Lima. Television station WXEL of Cleveland will film the contest for a later telecast.

High school coaches are attending the clinic from Maine, Louisiana, California, New York, West Virginia, Michigan, Indiana, Kentucky, New Jersey, Tennessee and Iowa.

Boros Is Kansas City Open Favorite

KANSAS CITY (AP)—Julius Boros, the "money bags man" from Mid Pines, N. C., was the pre-meet favorite in the fourth annual $15,000 Kansas City Open golf tournament beginning today.

Boros, who got his first real fame as a pro golfer in winning the 1951 U. S. Open, took over money honors by grabbing the first prize og $25,000 in George May's World championship match Monday.

Holds Narrow Lead In Junior Tourney

EUGENE, Ore. (AP)—Roger Boyd, 17-year-old from Tacoma, Wash., held a narrow lead today as the nation's youngsters headed for the halfway mark of the annual Jaycee Junior golf tournament.

The Washington State junior champ, who reached the quarter-finals of last year's Jaycee tourney at Durham, N. C., equalled par 37-35—72 on the 6600-yard Eugene Country Club Wednesday.

There were 18 other players close to his heels, though, as the 100 entrants in this Junior Chamber of Commerce tourney began to learn how to avoid the numerous trees along the fairways.

Don Olney of Circleville, O., carded a 40-39—79.

Stay 2½ Games Behind Yankees

Feller Loses First; Wynn Triumphant

CLEVELAND (AP)—Bobby Young, a .250 hitter with the ability to belt Bob Feller's throws at key moments, is the main reason the Cleveland Indians are still two and a half games behind the New York Yankees today.

The second baseman smashed Feller's second pitch to him over the right field fence in the sixth inning, driving in the three runs that gave St. Louis a 5-2 victory over Cleveland in Wednesday's first game. It was Young's fourth four-bagger.

It also was Feller's 12th loss against eight wins and the second time this season the ex - fireball artist came to grief because of Young. The last time was April 23 when Feller gave up only one hit but lost, 1-0. Young tripled then and scored on an error.

The Indians rallied behind the four-hit pitching of Early Wynn and took the second game, 9-1. Fifteen bingles backed Wynn as the Tribe went through four Brownie chuckers.

Al Rosen hit his 20th homer in the first inning with Larry Doby and Luke Easter on base. Easter's single had scored Dale Mitchell, who walked and advanced on Doby's blow.

Ray Boone's sixth homer brought in two runs in the fourth after Rosen and Harry Simpson had doubled.

In the fifth Mitchell and Bob Avila singled and Doby walked, filling the bases and setting up Luke Easter's two-run single.

Wynn lost his chance for a shutout in the fifth, when Jim Delsing singled, advanced on Gene Bearden's pinch double and scored as Fred Marsh grounded out.

Easter, back in the lineup after three games on the bench, drove in both Cleveland runs in the first game. He parked the ball some 400 feet over the right field fence in the fourth inning after Rosen had bunted safely.

Dick Kryhoski's 10th homer, in the second inning, and Boone's double-error in the third accounted for the other two St. Louis runs in the opener. After Al Zarilla had walked, Bob Nieman grounded the ball to the Cleveland shortstop. Boone dropped the ball and then threw wild to first, Zarilla scoring.

Before Young slugged his homer, Del Courtney and Jim Dyck had singled.

The ticket men collected from 44,528 persons and that boosted the Tribe's home attendance to 1,020,028.

Salem Golf Club Clambake Is Largest Ever Staged

"It was the biggest clambake ever held here!"

Those were the words of many old timers who have attended the Salem Golf Club's clambakes for the past 25 years and who yesterday saw some 575 men attend the annual affair at the local course.

Some 186 men played golf over the nine-hole course, the largest field to ever play in the blind bogey tournament. Suppers of clams, chicken, clam broth, and corn were served to nearly 520 men in the evening while 200 were served at the noon lunch.

Hubbard Pro Joe Vitullo captured the low gross honors for the day with an 18-hole total of 72, par for the course, Vitullo carded a one-under-par 35 for the first nine but his second round was a one-over-par 37.

Low net was awarded in a tie to Bob Leggett of Lisbon and Art Klem of Youngstown, both of carded 64.

Longest drive on the initial hole of the course went to Bob Gatti of Hubbard, who slashed out a 265-yard No. 1 wood shot. The sixth hole 20' circle proved lucky for 20 players as they drove into the circle across the valley on the course's shortest hole.

James Britt of Salem was awarded a set of golf clubs and Robert Oswald won the door prize.

Blind Bogey winners for the day were Salem men Ed Pukalski, Bob Schaeffer, Bob Campbell, John Mulford, Lynn Ferguson, Bob McCulloch Jr., Dr. M. M. Sandrock, John Miller and Jack Sekely. Other winners included in the bogey were Al White, Youngstown; William Powell, Hubbard; R. L. Stauffer, Youngstown; Fred Markovich, Hubbard; C. C. Henderson, Alliance; Bud Moore, Alliance; Arch Renner, Youngstown; and Bill Davies, Youngstown.

Dodgers, Giants Split Pair; Five Doubleheaders Divided

By RALPH RODEN

Joe Black is one rookie who is living up to his spring press clippings.

Back in March Black was hailed as another Don Newcombe in Brooklyn's Vero Beach, Fla., training camp. He was in great shape as he had spent the off-season pitching in the Cuban Winter League. He was tabbed as the best bet to take up the slack caused by Newcombe's entry into the Army.

Black was the first to admit that he wasn't in the same class as Newcombe but the 28-year-old righthander has contributed as much to the Dodger cause as big Newk did in the past.

It's doubtful if the Dodgers would be leading the National League by 9 games today if it weren't for Black. Used entirely in relief roles, the Dodger recruit has appeared in 37 games, winning nine, losing two and saving several others. His record is even more impressive as he appeared in only six games until the beginning of June. Since then he has worked in 31 of Brooklyn's 69 games.

Black took part in both ends of yesterday's day-night doubleheader against the runnerup New York Giants. He gained credit for the 5-4 day game triumph and was tapped for two unearned runs in the 8-4 night game defeat.

Chicago and Cincinnati and Philadelphia and Boston also split doubleheaders. The Cubs dropped the opener to the Reds, 11-3, but won the second game, 7-0. Philadelphia whipped the Braves, 3-0, but bowed, 9-3, in the night portion of the twin-bill. St. Louis and Pittsburgh were idle.

The New York Yankees retained their 2½-game lead over Cleveland in the American League chase, dividing a bargain bill with Washington while Cleveland halved a pair with the St. Louis Browns.

Washington drubbed the Yanks, 12-4, in the opener but lost the second game, 10-9 in 13 innings. The Browns tripped Bobby Feller and the Indians, 5-2, but Cleveland bounced back to grab the second game, 9-1. In other games, the Boston Red Sox turned back Philadelphia, 4-0, and the Chicago White Sox crushed Detroit, 7-1.

Black took over in the eighth inning of the see-saw opener at Ebbets Field with the score tied at 4-4. He halted a Giant rally in the eighth and got out of another jam in the ninth when he induced Hank Thompson to hit into a force play with the bases loaded and two out.

Pee Wee Reese singled home Gil Hodges in the bottom of the eighth with the deciding run.

Bubba Church cruised to victory in the opener at Chicago as the Reds socked Johnny Klippstein and Dick Manville for 14 hits. Bob Kelly blanked the Reds on six hits in the second game.

Veteran Karl Drews turned in his fifth shutout in beating the Braves in the first of two at Philadelphia. Sam Jehtroe slammed two homers and Ed Mathews one to lead the Braves to victory in the second game.

Bob Porterfield enjoyed a rare treat in the first game at the Yankee Stadium. The Senators supported his pitching with a 17-hit attack that included a grand-slam homer by former Yank Jackie Jensen. The loss snapped Vic Raschi's 11-game winning streak.

The twin bill, which lasted almost eight hours, was completed under the lights. Billy Martin squeezed home Yogi Berra to climax a game-winning three-run rally in the 13th. Mickey Vernan put the Senators out in front, 9-7, with a two-run homer off Tom Gorman in the top of the 13th.

Home runs also highlighted the doubleheader at Cleveland. Bobby Young decided the opener in favor of St. Louis with a three-run homer in the sixth off Bob Feller.

The Indians went to town early in the second game, scoring four runs in the first inning against Cliff Fannin. Al Rosen sparked the uprising with a three-run homer, his 20th.

Lefty Mel Parnell and Clyde Vollmer teamed up to lead the Red Sox to victory over the A's. Parnell yielded only three hits while Vollmer drove in three runs on a homer and two singles.

Old Joe Dobson turned back the Tigers on four hits to post his 11th conquest for Chicago.

Walt Dropo of the Detroit Tigers is the tallest first baseman in the American League. He is six feet five inches tall.

County Tennis Tourney Slated For Aug. 24

The Columbiana County tennis tournament will be held starting Aug. 24 at the Salem Country Club and continue through the Labor Day weekend, it was announced today.

Both singles and doubles will again be run this year with a one dollar fee being charged for each entry.

The tennis games will be staged on the weekends, starting Aug. 24 and resuming Aug. 30 and 31, and Sept. 1. The entry deadline has been set for Aug. 23. Applicants may enter the tourney with Gordon Scott or Don Hammell.

Jim Hurlburt, defending singles champ who is presently attending Duke University summer school, will return to defend his title Ralph Martin and Gordon Scott were last year's doubles winners and will also defend their crown.

Merchants to Oppose Lisbon In Playoff Opener

The Salem Merchants (shown above), winner of the Columbiana County League regular season trophy, on Friday night will begin pursuit of the playoff championship.

Those pictured, (left to right) are: front row, Ken Schoeni, Batboy Fred Brautigam, Chuck Marks.

Second row: Kirby Laughlin, Dempsey Balsley, Jim Laughlin, Claire Weingart, Jack Oesch and Don Miller.

Back Row: Secretary Gale Dougherty, President Ed Bloor, Pat Mancuso, Bob Miller, Manager Chester Brautigam, Dave Kachner, R. Loudon, Clarence Lease, Vice-president P. K. Laughlin and Ed Burcaw.

Those not present when the picture was taken were Dick Wyss, Ed Bozich, Sam Pridon, Duane Stanley, Jim Cosgarea and Allen Bloor.

Lisbon will be the first round opponent Friday when the Salem Merchants open their quest for the Columbiana County League title at 6:15 Frdiay night at Centennial Park.

The Lisbon nine lost in a playoff with Negley last night, 3-2, making them the team to encounter the first place outfit as the final standings of the league terminate with Salem, Negley, Lisbon and East Liverpool as the top four teams, respectively.

Negley whipped the Lisbon nine after falling behind 1-0 in the opening period. Tney tied the game in the second frame, Lisbon forged ahead in the top of the fourth inning but Negley deadlocked the tilt again with a tally in the bottom of the inning.

Negley then copped the game in the bottom of the sixth frame with a single marker, winning 3-2.

In the playoff for fourth place East Liverpool captured an 8-4 decision over New Waterford to gain the playoffs. The Potter City nine had a big six-run inning in the fourth after scoring single runs in the first and second frames. New Waterford tallied three times in the fourth inning and garnered another run in the bottom of the sixth frame. Each team collected six hits.

Contrary to the announcement of yesterday, the final series for the championship of the league will be a three-of-five series rather than a two-of-three series. Only the semi-final rounds will be a two-of-three series.

Merchant officials today urged Salem fans to back the Merchants during the playoffs. Manager Chester Brautigam requested that all players turn out for the game Friday, warmup beginning at 5:30.

Ned Garver, Vic Wertz May Be Traded

Expect Reported Trade Tonight

Courtney, Ginsberg May Be In Switch

DETROIT (AP) — Boyish - faced Ned Garver, who won 20 games for the eighth-place St. Louis Browns last year, may be shipped to the Detroit Tigers in exchange for Tiger home run hitter Vic Wertz.

Sources close to the Tiger front office predict pitcher Garver, outfielder Wertz and others will be involved in the waiver deal. They predict it will be announced tonight at the expiration of an agreed upon 72-hour waiting period.

Owner Bill Veeck of the Browns and General Manager Charlie Gehringer of the Tigers have known for nearly three days who the players are but they aren't saying openly.

The trading deadline has long since passed but the two clubs can negotiate with each other at will via the waiver route. The Browns are seventh and the Tigers eighth. No other clubs could get a crack at any players they wanted to deal each other.

The Tigers already have sent three players—outfielder Don Lenhardt, pitcher Marlin Stuart and pitcher Dick Littlefield—to the Browns this week to set up the deal.

In return the Tigers got only minor league pitcher Bud Black of San Antonio.

Garver, troubled by a sore arm, has won only seven and lost 10 this year.

Wertz, who hit 27 homers last year, has been sidelined by a pulled muscle for three weeks. He hit 17 homers in 86 games this year.

It's also conceivable that Tiger catcher Joe Ginsberg will go in return for Brownie catcher Clint Courtney.

Browns Ask Waivers

HIRAM, O. (AP) — Cleveland's Browns have asked waivers on Ed Soergel of East Illinois College and John Saban of Xavier. If they go unclaimed by other National League teams for 96 hours, the backs will go on the Browns' reserve list.

Bowling Association Announces Meeting As Season Approaches

Bowling season is rapidly approaching its opening again in Salem with several league meetings scheduled for next week along with the annual Salem Bowling Association meeting Friday night.

Secretary Don R. Smith announced today that the SBA members would hold their meeting at 7:30 p.m. Friday at the Memorial Building for the selection of committees and distribution of many ABC awards and the announcement of Salem's "Bowler of the Year."

The officers of the league who will serve for the coming year are: President, George Hoover, Columbiana; vice-president, John Galchick, Salem; second vice-president, Brad Akens, Salem; third vice-president, Bill Sponseller, Salem; fourth vice-president, Howard Dunbar, Columbiana; and secretary-treasurer, Don Smith, Salem. The executive committee includes Earl Grate, Bill Kring and Paul (Judy) Myers, all of Salem, and Fred Reese of Lisbon.

Monday night at 7:30 the Quaker City League will hold its first meeting at the Salem Bowling Center. The Classic League will meet at 8 p.m. Wednesday at the Center and the Commercial League will hold its first meeting Thursday at 8 p.m. at the Center.

Representatives of all teams are asked to attend the meeting of their respective leagues. Any new teams are also invited to attend the meetings.

Little League To Play Games Tonight At Park

Little League games, usually played Friday night, will be staged tonight in order for the Salem Merchants to play Friday at Centennial Park. The Little League schedule for tonight brings together Sekely and Eljer Co. in the 5:15 contest and Fishers and Mullins in the nightcap at 6:30.

Meanwhile, Hot Stove League games, slated for tonight at the park, will be played at Copacia Field since Centennial Park is the official Little League diamond.

May Step Down As Olympic Head

NEW YORK (AP) — Kenneth L. (Tug) Wilson, commissioner of the Big Ten, is slated to succeed Avery Brundage as president of the U. S. Olympic Association if Brundage decides he can't handle his two big jobs at once.

Brundage, millionaire Chicago building contractor who has been the dominant figure in American amateur athletics for a quarter of a century, officially takes over today as president of the International Olympic Committee.

At formal ceremonies in Lausanne, Switzerland, the stocky 65-year-old Midwesterner will receive the official key of the games' highest office from the outgoing president, J. Sigfrid Edstrom of Sweden.

At the recent games in Helsinki, where he was elected, Brundage announced he planned to step out when the U. S. Olympic Association meets next fall.

However, most members of the American Olympic family contend the boss, a former Olympic decathlon competitor and once a heel-and-toe champion, will be persuaded to stay.

Rams Coach Dislikes Odds For Friday

CHICAGO (AP)—Much to the distress of Coach Jumbo Joe Stydahar, his Los Angeles Rams have been installed a two touchdown favorite over the College All-Stars in their football fracas at Soldier Field Friday night.

Joe can't see the odds that way and has become the first coach of the 1952 gridiron season to get out the crying towel.

After predicting the winning team will have to score at least four tochdowns, the bossman of the National Football League champions let his hair down this way:

1. "It's a one-shot game for the All-Stars and each boy on that squad is ready to play his heart out. That gives the All - Stars a psychological advantage.

2. "A pro team can't get so high. Although the All-Star game is big stuff, the height of the pro season lies ahead—the competition for the championship.

3. "It's impossible for us to reach a peak in three weeks of drills because the average age of our players is much more than the All-Stars.

4. "We'll be hurt in a few key spots—Stan West, Tank Younger, Bill Lange and Charley Toogood won't be able to go at top speed."

Stydahar isn't so sure but what the All Stars might stop the Rams passing game, something no pro team could do last year.

The big game, starting at 8:30 EST, will be televised over Dumont's network of 53 stations coast-to-coast and broadcast through 400 stations on the Mutual Broadcasting System chain.

Grangers Have Program At Meeting

Applications for membership were received from Mr. and Mrs. Robert Metzger, Daryl Wyss and Lee Morrow when Garfield Grange members met at the hall Wednesday evening.

The third and fourth degrees were given to Elizabeth Heacock and Donald Cobb; the first and second degrees to Arthur Carlson. It was announced that ward has been received of the birth of a daughter to Mr. and Mrs. William Anderson of Plain City. Mrs. Anderson was formerly Miss Rita Greenisen of Garfield, a member of the grange.

Mrs. William Leigh of Pasadena, Calif., formerly of Garfield and a member of Garfield Grange, is visiting in the vicinity.

The volunteer firemen ways and means committee will meet at the grange hall, Aug. 21.

The program, given by the Merry Larks 4-H Club, consisted of a piano solo by Marilyn Martin; pantomime by Twila Yeager, Janet Bradway and Marie Carver; piano solo by Alice Stanley, and two accordian solos by Nancy Burkey The club presented the grange with the United Nations flag. Robert Morrow, master, accepted the flag and made remarks in behalf of the grange. Mrs. Norman Stanley, leader of the Merry Larks 4-H Club, gave facts concerning the United Nations flag.

Lunch was served by the social committee. The next meeting will be Aug. 19. The meeting has been advanced because of the Mahoning County Fair.

FRACTURE ENCORE—Five-year-old Barbara Jeanne Jensen of Springfield, Minn. wears a cheery smile despite the fact she is trussed up in a tractor apparatus for the second time in about six months. Barbara broke her right leg between the hip and knee last February, when she jumped only 18 inches to the ground. A few days ago she fell on the sidewalk and broke the same leg in the same place. Now she's back in the same hospital.

Old Maids

Continued From Page One

maids who say they're being feted in their hometowns too—in Oklahoma City, Louisville, Durham, N. C.

The old maids in Denton started their day as a lark to shake off the summer doldrums. And Miss Babb jokingly said it was time they got some gifts in return for the wedding and baby gifts they had given.

And what gifts they got! Miss Babb even got dozens of proposals of marriage.

And now a gift for Girlstown, a home at Whiteface, Tex., for girls who need a home and love.

"Miss Anthony said they needed worst of all $150,000 for a new dining hall," Miss Babb said. "She told us jokingly that if we raised that much money, she'd name it "The Dining Hall for Old Maids.' Well, who knows—"

Youth Demands $750 From Girl With Threat

HUNTINGTON, W. Va. (AP) — A youth accused of trying to extort $750 from a high school girl by threats of death will be given a psychiatric examination this week at the Federal Reformatory at Chillicothe, O.

Larry Paul Fudge, 20, former high school honor student, is accused of demanding the money from Carole Mae Kingsley, 17. The FBI arrested him after Fudge had mailed the girl a note, telling her to meet him and deliver the money.

Rails Encourage Stocks To Gain

NEW YORK (AP)—A gentle upward swing today in the stock market derived most of its encouragement from the railroads.

Gains were mostly fractional with a few extending to around a point. Less frequent losses were in the same range.

Trading was extremely quiet at a pace of around a million shares or less for the entire day.

Higher stocks included New York Central, Union Pacific, American Smelting, Homestake Mining, Eastman Kodak, Chrysler, and Sears Roebuck. Lower were Pennsylvania Railroad, Texas Co., Allied Chemical, Philip Morris, and American Can.

Ike

Continued From Page One

Nixon said it meant Stevenson was "part and parcel of the Truman gang," and he called the session a fatal campaign mistake which would defeat the Democratic nominee.

Eisenhower said in a brief foreign policy statement yesterday that "a true program for peace for the United States must include as one of its peaceful aims the restoration the captive nations of Europe the right, freely and honestly, to determine their own fate and their own form of government. Similarly, the same right must be achieved by the captive nations of Asia."

Hagerty said the general meant this nation must "give some hope to those people behind the Iron Curtain that they one day will be free."

Harold E. Stassen, former Minnesota governor who bid for the GOP presidential nomination, called on Eisehower yesterday and told the general he would get half the vote of organized labor. Stassen said a responsible labor leader had given him the report. Stassen told newsmen before meeting Eisenhower:

"I have talked with many top labor leaders, some of them since the convention. I have found greater friendliness on the part of organized labor toward Gen. Eisenhower than there has been toward any GOP nominee for the last 20 years."

Rep. A. L. Miller of Nebraska, once an ardent supporter of Gen. Douglas MacArthur for the presidency, during a visit to headquarters urged Eisenhower to conduct an aggressive campaign. He said the general's campaign statements should 'have some meat in them . . . something that will give the people a little more faith in government."

Grangers To View Medical Picture

LISBON—A film on muscular dystrophy will be shown following the regular meeting of the Lisbon Grange Friday night at the grange hall.

Grange members are asked to bring articles to be sold at an auction at the Pomona meeting Saturday night at the Perry Grange. Proceeds will go to the County Muscular Dystrophy Fund.

The general public is invited to view the film scheduled for 9:45 p.m.

State To Give Million Toward Fixing Bridge

COLUMBUS, O. (AP)—Gov. Frank J. Lausche said today the highway department will advance a million dollars for improvement of the Steubenville bridge across the Ohio River.

The bridge, which connects Steubenville with Weirton, W. Va., is owned by the State of Ohio.

The last legislature authorized collecting tolls again to finance construction of a new approach to eliminate traffic congestion on State Rt. 7 at the bridge's Ohio end.

The governor said legality of the financial arrangement has been approved by Attorney General C. William O'Neill.

Details were worked out at a meeting of the governor, members of the state bridge commission; Samuel O. Linzell, new highway director and his assistants.

Lausche said the arrangements were necessary because the commission lacks enough money and cannot sell bonds.

Lausche said plans and specifications are being drafted and the highway department will let the contract.

Users Protest Service By Telephone Company

COLUMBUS, O. (AP) — Leroy G. Schell, solicitor of the Village of Bergholz, Jefferson County, filed a protest with the state utilities commission today against the proposed rate increases by the General Telephone Co. of Ohio, formerly the Ohio Associated Telephone Co.

Schell said the company has "failed, refused and neglected" to supply adequate equipment and service to Bergholz.

At the same time the commission received a petition from 140 subscribers of the telephone company in the villages of Dawson, Geneva, Arlington and Mount Blanchard in Hancock County, protesting the quality of telephone service.

The commission said it would hold a hearing at Findlay probably sometime in September.

New Atom Plant Value Swamps Pike County

WAVERLY, O. (AP)—How big does $1,200,000,000—the cost of a new atomic energy plant to be built in nearby hills—look in Pike County?

Well, the total value of all Pike County land, buildings, public utilities and tangible property is only $19,560,845.

And, in Scioto Township, where the 6,500-acre plant will be built, all the township's 15,058 acres are valued at only $376,430 — an average of $25 an acre.

For that matter the new plant looms large to Ohio where the total value of all public and exempt property is $1,397,000,000.

The figures were based by the state taxation department today on 1951 statistics.

TIPS FOR FISH DISH

In buying fish fillets you'll find that sometimes the skin, with the scales removed, is left on one side of the fillet; other fillets are completely skinned. A fillet is the meaty side of the fish, cut lengthwise away from the backbone. Some fillets are completely boneless, others may have a very few bones.

Bananas-Oatmeal Triple Threat

What's a cookie jar without an oatmeal cookie? Or a fruitbowl without bananas? Now you can combine the two flavors in a rich oatmeal cookie that offers a triple treat. From one basic recipe you can make banana bars and other fancy cookies that are easy to prepare, but glamorous enough for a party.

THREE-WAY BANANA OATMEAL COOKIES

2 cups sifted enriched flour
1 teaspoon cinnamon
¼ teaspoon nutmeg
1½ teaspoon salt
1 teaspoon baking powder
¼ teaspoon soda
1 cup sugar
1 cup shortening, soft
1 cup mashed bananas (2 to 3)
2 eggs
2 cups oatmeal, uncooked

Sift together flour, spices, salt baking powder, soda and sugar; add shortening, mashed bananas and eggs. Beat until smooth, about 2 minutes; fold in rolled oats. Divice cookie dough in three parts.

Bar Cookies: Spread one third of dough in a well-greased 8-inch square pan. Bake in a moderate oven (375 F.) for 15 to 20 minutes. Let stand 10 minutes. Turn out of pan; cut in bars or squares; roll in confectioners' sugar while still warm.

Drop Cookies: Drop second portion of dough by teaspoons on a well-greased cookie sheet. Decorate with chocolate chips, nuts or raisins, if desired. Bake in a moderate oven (375 F.) 10 to 12 minutes.

Rolled Cookies: Refrigerate third portion of dough over night. Sprinkle a board or canvas generously with confectioner's sugar. Roll out cookie dough to ¼-inch thickness, sprinkling with additional sugar while rolling if necessary to prevent sticking.

Cut in 2-inch circles or fancy shapes. Bake on greased cookie sheet in moderate oven (350 F.) 8 to 10 minutes, or until brown.

Tuna Fish Treat

Tuna is about the most popular of family fish treats. The supply is large now and that means prices are lower.

Tuna With Curry Sauce.

1 can tuna (7-ounce)
2 tablespoons butter
1 clove garlic
1 medium onion, cut in rings
½ bay leaf
1 tablespoon curry powder
1 tablespoon flour
½ teaspoon salt
¾ cup water.

Drain tuna. Break into chunks. Melt butter in a saucepan. Add garlic, onion rings and bay leaf and cook until onion is tender, about 10 minutes. Remove garlic.

Stir in curry powder, flour and salt. Add water, stiring until well blended. Cook 10 to 15 minutes. Strain and pour over tuna. Serve with rice and chutney. Serves 2.

Here's an inexpensive tuna newburg using shredded tuna (costs less) and non-fat dry milk (inexpensive). It comes from California, land of good eating.

California Tuna Newburg.

4 tablespoons butter of fortified margarine
3 tablespoon flour
5 tablespoon non-fat dry milk
1½ cups water
1-3 cup sherry wine or juice of ½ lemon in about 1-3 cup water.
1 egg yolk, slightly beaten
Dash of nutmeg
Salt and pepper to taste
2 cans (7-ounce) cans tuna, drained and flaked.

Melt butter in a saucepan. Remove from heat. Mix flour and non-fat dry milk; add to butter, stirring until smooth. Add water gradually, blending well. Return to heat. Cook, stirring constantly, until mixture boils and thickens.

Add wine or water and lemon juice. Stir a little of this sauce into the egg yolk; stir this mixture back into the remaining sauce. Add seasonings and tuna. Stir gently over very low heat for a minute or two. Serve immediately in patty shells or toast cases, or on toast. Serves 5 or 6.

Lack Of Rain Hurts Some Ohio Crops

COLUMBUS, O. (AP)—The weather bureau reported today while the lack of rainfall in Ohio has hurt some crops, the situation is far better than in Southern states.

In its weekly weather and crop bulletin, the bureau said crop conditions throughout the state vary due to sporadic rainfall amounts. Generally, the corn crop was hurt the most. Some corn started to fire and the ears never matured fully.

Sugar beets, tomatoes and fruit are maturing small due to insufficient moisture, the weather bureau reported.

Officer Awarded Medal For Sinking Red Tank

WITH THE U. S. TENTH CORPS Korea (AP)—Lt. James F. Reed, Tulsa, Okla., has been awarded the Distinguished Flying Cross for sinking a Red tank.

The Tenth Corps said today Reed, pilot of an Army observation plane, last December directed artillery fire on a Communist tank crossing a frozen river. Three artillery rounds bracketed the tank, broke the ice covering the river, and caused the tank to sink.

To shape Parker House rolls, roll the yeast dough one-quarter inch thick and cut in two-inch rounds. Brush tops lightly with soft butter or margarine and crease through center. Fold over and press down top.

Peach Season Is Here

The middle to late part of August could well be called Golden Jubilee season, with other peaches such as Colora, Rochester, Early Hale-Haven, all yellow free-stone varieties ripening during this early period.

Champion and Cumberland, two white peaches good for table use, are ready during this period too. Weather is a deciding factor the last few days of ripening.

Golden Jubilee will be ready first; many housewives rank it best for canning because of its outstanding flavor and texture retained during processing. Colora, is very similar to Jubilee ripening a few days later. Rochester is an old-time favorite canning and eating peach noted for its sweet juicy flavor and its small to medium size, popular for canning.

For those who can hardly wait till Hale-Haven come along-some thoughtful horticulturist developed the "Early" Hale-Haven. It ripens fully 10 days ahead of its famous parent Hale-Haven, otherwise being almost identical in every way pertaining to size, flavor and quality. A sister, the Fairhaven, is also very similar in its characteristics. Both are a little later than Jubilee but ripen during this two week period.

For canning, pick any of these, but you just can't go wrong on the more plentiful Golden Jubilee. Red Haven is still plentiful for a few more days.

For freezing, the Hale-Haven varieties mentioned above are generally recognized as "ideal" for freezing because of their resistance to browning- "a great advantage in processing." Hale- Haven itself is also included in this although they will not be ready for awhile. Rember Red-Haven is a good peach to freeze too.

Needless to say a good tree-ripened peach is hard to beat for whatever you want to do with them as "fresh fruit" so enjoy lots of them in season; call on your favorite grower or roadside market soon.

REGISTER AT LISBON

LISBON — Superintendent of Schools V. J. Ullman announced registration for children entering kindergarten will be held today and Friday at the McKinley School. High School Principal George M. Nace Jr. will be at school Monday, Wednesday and Friday to assist students who wish to change their schedule before classes start Sept. 2.

140 Cases Handled In Court Since April 7

LISBON—Norman E. Ward, common pleas court assignment commissioner, announced 140 cases were disposed of from April 7 to July.

The cases included 16 by jury trial, 42 by court trial, 51 jury cases settled before reaching trial, 20 court cases settled before reaching trial and 11 cases continued to next term.

All were civil matters and did not include many criminal matters handled during the period. Court was in session about 60 days during the term.

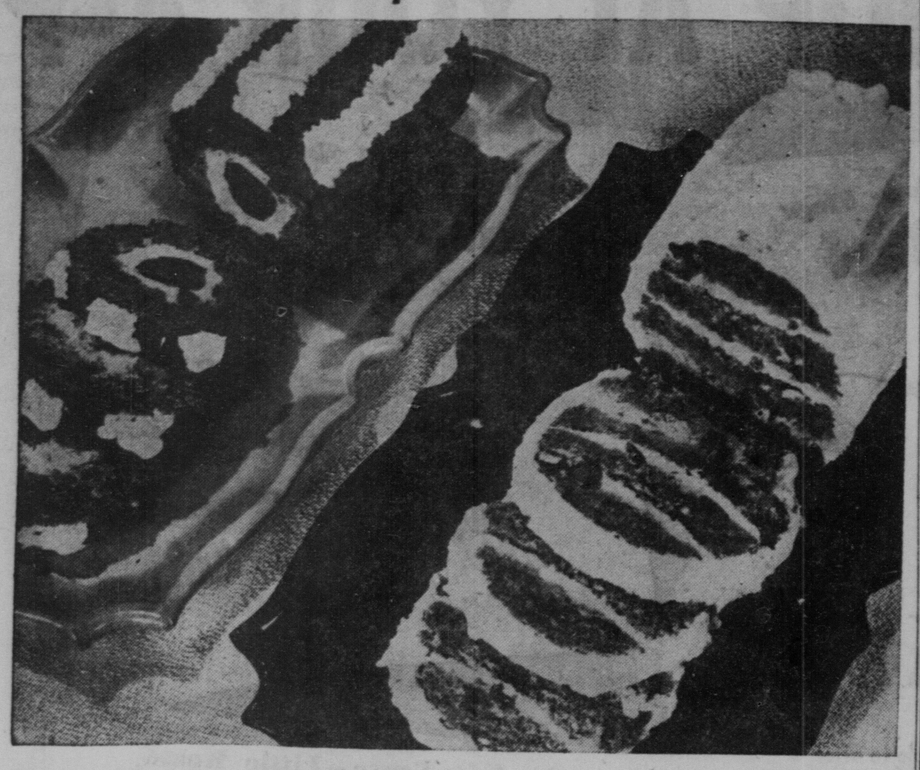
Sandwich Loaf For Special Occasion



Like to impress the bridge club or the meeting of women voters at your house? Well, for that "something pretty special" such occasions call for, you'll want to try this sandwich loaf. It has all the appearance and taste-floavor of popular Boston steamed brown bread but a modern touch has been added—it's baked and in just 45 minutes.

MOLASSES BRAN BROWN BREAD

1 cup ready-to-eat bran
½ cup seedless raisins
2 tablespoons shortening
½ cup molasses
¾ cup hot water
1 egg
1 cup sifted flour
1 teaspoon baking soda
½ baking soda
½ teaspoon salt
½ teaspoon cinnamon, if desired

Measure bran, raisins, shortening and molasses into mixing bowl. Add hot water, stirring until shortening is melted. Add egg and beat well. Sift together flour, soda, salt, and cinnamon; add to bran mixture. stir only until combined.

Fill 2 greased cans (baked bean cans, 4½ inches deep, 2¾ inches across) about 2-3 full; or spread in greased load pan 9½ by 4½ inches). Bake in moderate oven (350 F.) about 45 minutes for canned bread or about 35 minutes for loaf bread. Remove from cans or pan, slice and serve hot. Yields 2 loaves, 4½ by 2¾ inches, of 1 loaf, 9½ by 4½ inches.

For Sandwich Loaf: Take one loaf and cut bran bread into 4 slices horizontally. For the first slice, combine 1 chopped hard-cooked egg, 1 large grated carrot, 1 stalk celery, chopped, ⅛ teaspoon each salt and pepper, 2 drops tabasco sauce and 1 tablespoon mayonnaise.

Cover second slice with pimiento cheese spread. For the third. chop ¼ inch slice of canned luncheon meat into very fine pieces. Combine with 2 teaspoons India relish and 1 tablespoon mayonnaise. Put fourth slice on top. Chill.

Just before serving, frost loat with softened cream cheese which has been seasoned with salt and pepper and beaten until light with about 1 tablespoon milk.

With the second loaf, starting at one end and using a sharp knife, make a circular cut halfway through the loaf about ½ inch from the center. Turn the loaf over and, beginning at the other end, repeat the prodedure until the two cuts meet.

Remove the center with an apple cover. Fill cavity with a cheese spread, such as pimiento, and then insert small sweet pickles end-to-end in center. Spread top with softened cream cheese.

BACON—CHEESE SANDWICHES

½ pound sliced bacon
½ pound sharp cheese, grated
1 egg, beaten
1 teaspoon Worcestershire sauce
1 teaspoon prepared mustard
½ teaspoon salt
Pepper
8 slices bread

Cut slices of bacon in half. Add beaten egg and seasonings to grated cheese and blend. Toast bread on one side. Cover second side with cheese mixture. Place sliced bacon over surface.

Arrange on broiler pan and place in the oven with the surface of the meat 3 inches from the heat. Broil about 10 minutes or until bacon is crisp. Serve hot. Yield: 8 sandwiches.

BARBEQUED GROUND BEEF

1 pound ground beef
1 cup finely chopped onion
1 cup finely chopped green pepper
1 tablespoon sugar
1 tablespoon vinegar
2 tablespoons prepared mustard
2 tablespoons prepared mustard
1 cup catsup
1 teaspoon salt
1 cup catsup
½ teaspoon ground cloves
4 to 6 hamburger buns

Brown meat slowly until crumbly but not hard. Combine remaining ingredients and add to the meat. Cover and simmer about 30 minutes. Serve on toasted split buns. 4 to 6 servings .

WAFFLE SANDWICH

Use your waffle baker for this quick hot sandwich. Cut a canned luncheon loaf into individual serving slices and make into sandwiches. Place them in your baker and heat until a golden brown.

Food Tip For Reducers

Low in calories, high in vitamins, cost little but gives a big appetite surprise—this salad is ideal for hot-weather luncheons:

Sauerkraut Health Salad
1 No. 2 can sauerkraut
½ cup shopped parsley
1 teaspoon brown sugar
¼ cup French dressing
2 or 3 medium-sized fresh tomatoes
1 cup cottage cheese
No. 2 can green asparagus, drained
Paprika.

Place can of sauerkraut in refrigerator overnight or several hours. Open can of sauerkraut and drain off juice. In a bowl, combine sauerkraut with parsley, sugar and French dressing; mix lightly but thoroughly.

With a sharp knife, cut each tomato in half through stem end. Cut each half into three sections lengthwise but only enough to spread tomato, not to separate. Spoon cottage cheese between cuts in tomato.

For each serving, place tomato half on bed of sauerkraut salad. Arrange four asparagus spears by sides of tomato and sprinkle with paprika. Males 4 to 6 servings.

This combination of sauerkraut and lunch meat is perfect on days that seem to wilt the appetite.

Sauerkraut Luncheon Salad
1 No. 2 can sauerkraut
½ pound canned luncheon meat
1-2 cup chopped pimientos.
½ teaspoon grated onion
2 tablespoons mayonnaise.

Place can of sauerkraut in refrigerator and chill overnight or several hours. Open can of sauerkraut and drain off juice. Cut meat into thin strips. In a bowl, combine all ingredients; mix lightly but thoroughly. Makes 6 servings.

BARBECUED CUBED BEEF STEAKS
4 cubed beef steaks
¼ cup enriched flour
Salt
Pepper
3 tablespoons lard or drippings
1 medium onion, chopped
1 tablespoon vinegar
1 tablespoon brown sugar
½ cup catchup
2 tablespoons lemon juice
2 tablespoons Worcestershire sauce
½ cup water
½ teaspoon salt
⅛ teaspoon pepper

Dredge the steaks with flour. Season. Brown the steaks on both sides in lard or drippings. Add chopped onion and brown lightly. Mix remaining ingredients and pou over steaks. Cover and cook slowly until meat is tender, about 35 minutees. 4 servings.

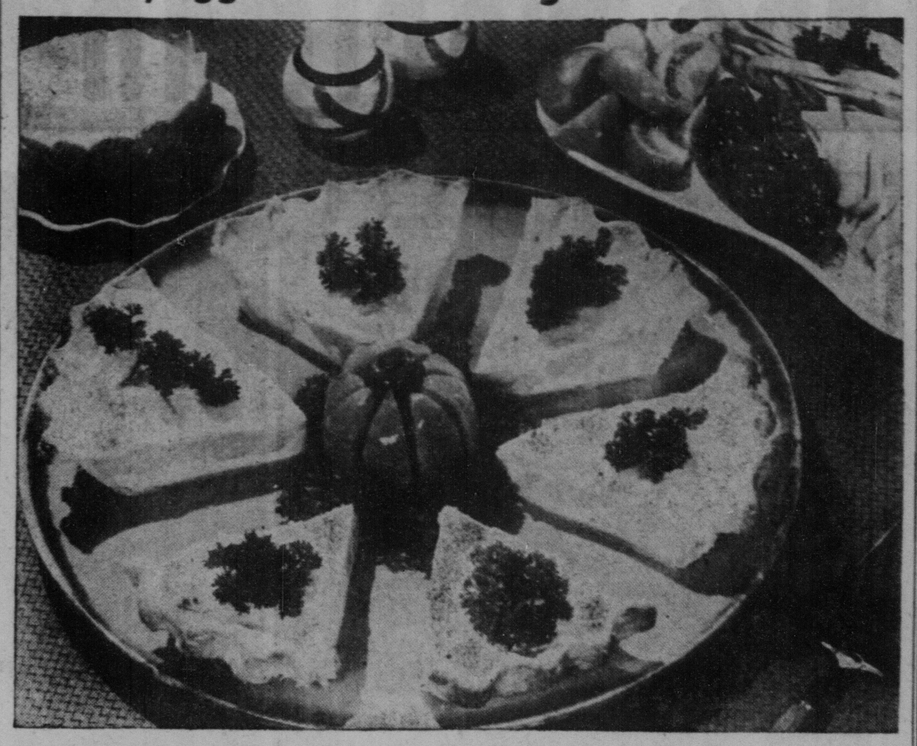
GRAPE FROST
9 small bottles grape soda
1 egg white
1½ tablespoons sugar
¾ teaspoon lemon juice
⅛ teaspoon grated orange rind

Empty 3 bottles of the grape soda into tray of refrigerator; freeze. Chill remaining 6 bottles of grape soda. Before serving whip egg white; beat in sugar, lemon juice, and orange rind. Now shave or crack frozen grape carbonated beverage and place in tall glasses. Put 1 tablespoon of the whipped egg white into each glass, then slowly fill with the chilled grape soda. Makes 6 servings.

SPECIAL FOR FISH

Add a quarter cup each of finely diced onion and picle relish, along with a tablespoon of Worcestershire sauce, to a cup of mayonnaise and serve with broiled fish steaks for something tasty.

Cheese, Eggs In Time-Saving Pie



Cheese slices are making news today, because of the modern homemaker's need for foods that are most convenient to use. Their convenience and time-saving qualities are exemplified by this cheese and egg dish. It's served with mustard relish sauce for an interesting flavor treat.

CHEESE AND EGG PIE
1 9-oz. pkg. prepared pie crust mix or
1 recipe pastry
6 raw eggs
Salt
Pepper
1 (½-lb.) pkg. American cheese slices.

Line 9-inch pie plate with pastry. Break and slip eggs into unbaked pastry shell. Sprinkle with salt and pepper.

Cut cheese in half as direct on package; arrange cheese slices over eggs. Moisten edge of crust with water. Cover with upper crust. Seal and flute edges. Make several slits in center of upper crust to allow steam to secape.

Bake in hot oven (425 F.) until crust is lightly browned, about 25 to 30 minuts. Serve at once with mustard relish sauce. Serves six.

Mustard Relish Sauce: Melt 2 tablespoons butter in saucepan. Remove from heat. Mix 2 tablespoons flour, 1 teaspoon dry mustard, ½ teaspoon salt and ⅛ teaspoon pepper: stir into melted butter; blend well.

Gradually stir in 1 cup milk. Add ½ teaspoon Worcestershire sauce. Return to heat and cook, stirring constantly, until slightly thickened. Stir in 2 tablespoons India or sweet relish. Serve hot over wedges of cheese and egg pie.

TOMATO—CORN BOUILLON
1 10-ounce can condensed tomato soup
1 10½-ounce can beef bouillon
1 12-ounce can whole-kernel corn
¼ teaspoon dried crushed basil

Empty tomato soup and bouillon into large saucepan; using soup can as measure add 2 cans water. Add corn, including liquid from can, and basil. Heat slowly, so as to allow flavors to blend, stirring occasionally. Makes 6 servings.

USE FOR CABBAGE

Panned green cabbage, seasoned with Worcestershire sauce, is a savory accompaniment to serve with corned beef hash.

FOR VITAMIN C

Citrus fruits and tomatoes are our main-stay sources of Vitamin C. Besides these foods, a few other fruits and vegetables are outstandingly rich in this vitamin: Raw cabbage, raw strawberries, and salad greens are among these.

WANT A SNACK

Canned chicken is handy to have on kitchen shelves to use as a sandwich filling for television viewers who want a snack. Cut the chicken fine and mix it with finely diced celery and garlic-flavored mayonnaise.

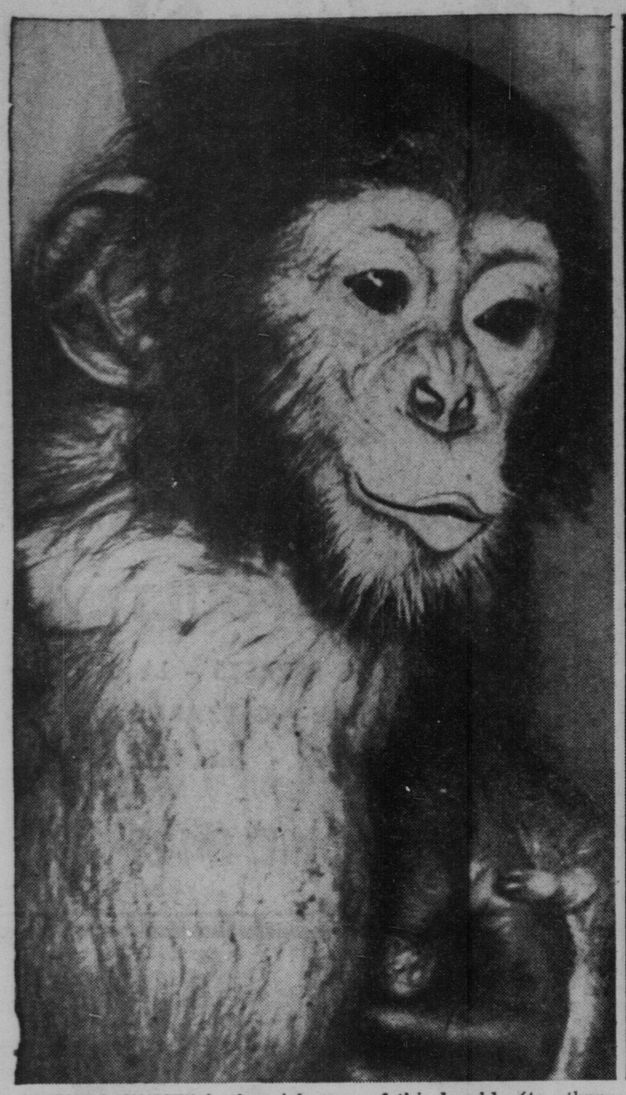
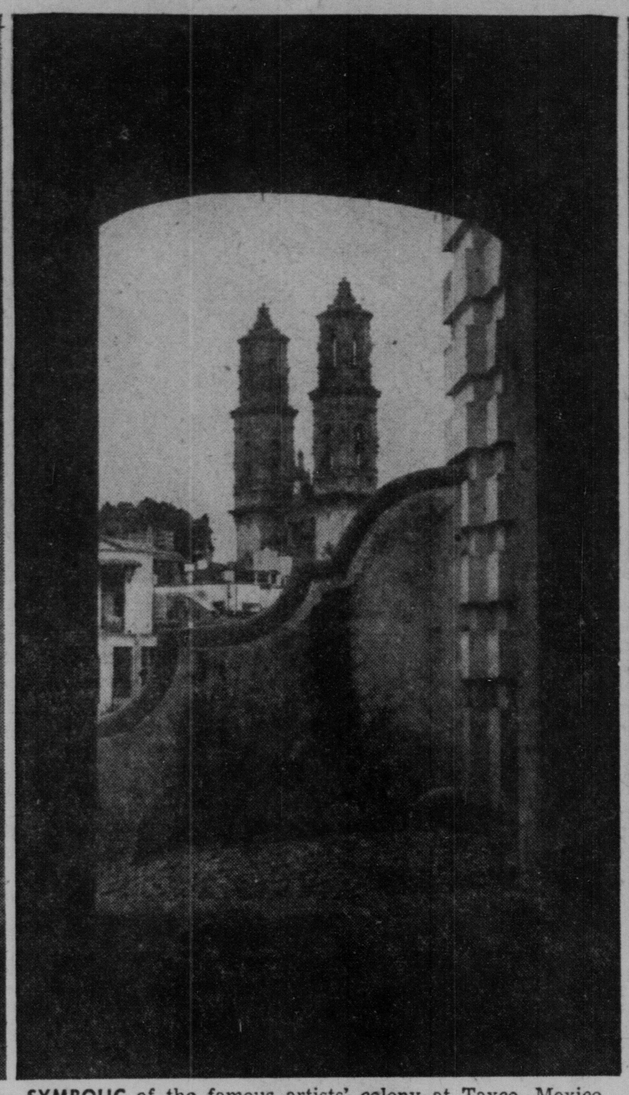
News of the World in Pictures

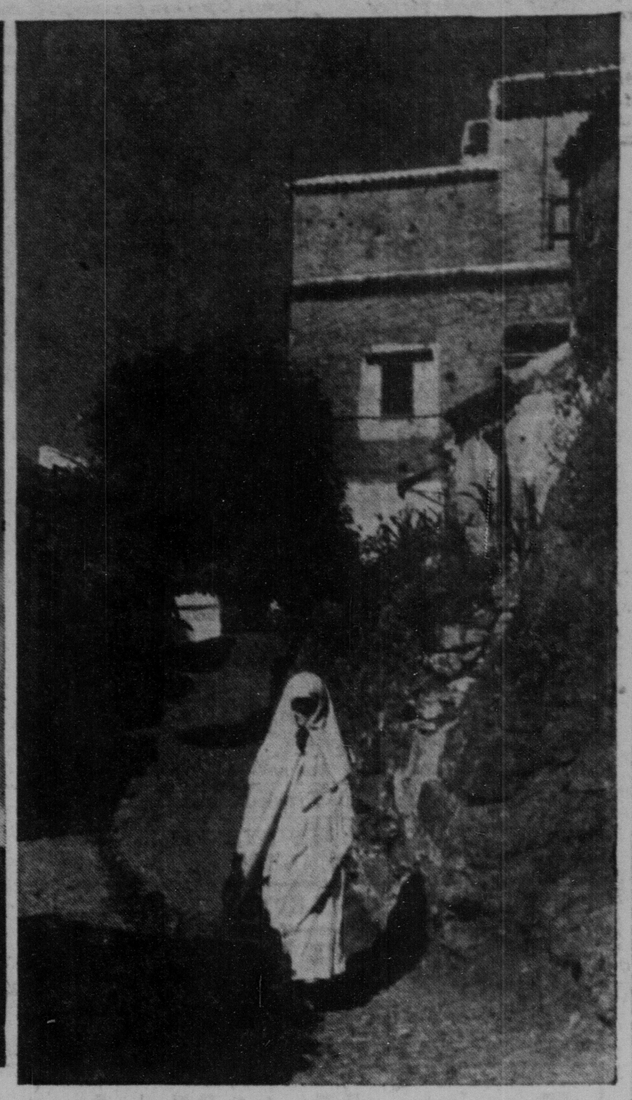


"KISSING SWEET" is the nickname of this lovable (to other monkeys) chimpanzee who greets visitors to a New York pet shop in this manner. No one's taken him up on it yet.

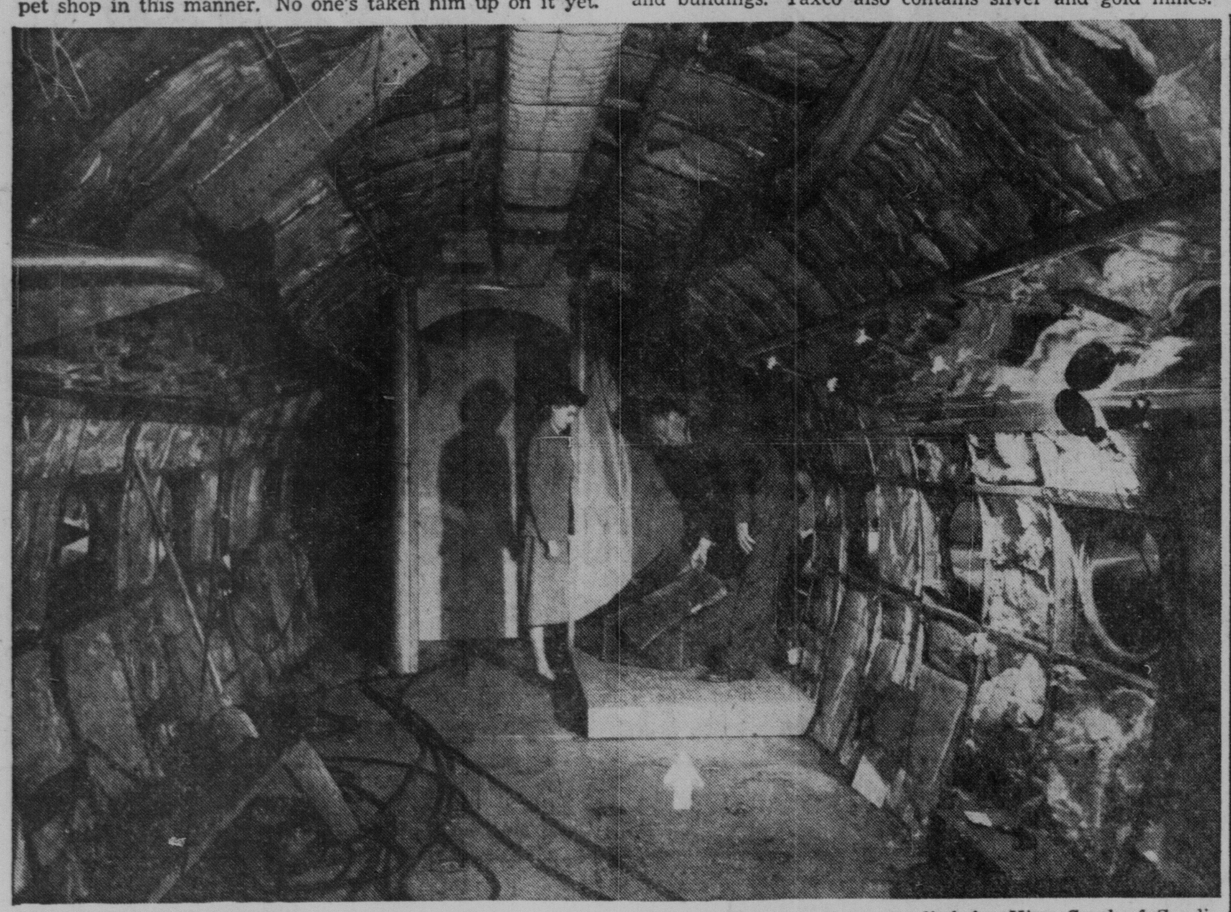


SYMBOLIC of the famous artists' colony at Taxco, Mexico, is this framed view of some of the town's picturesque towers and buildings. Taxco also contains silver and gold mines.

STATUESQUE BEAUTIES comparing drape shapes are Julia Adams, of Hollywood, and reproduction of famous Venus de Milo statue. Do you prefer movie maid or glamorous Greek?

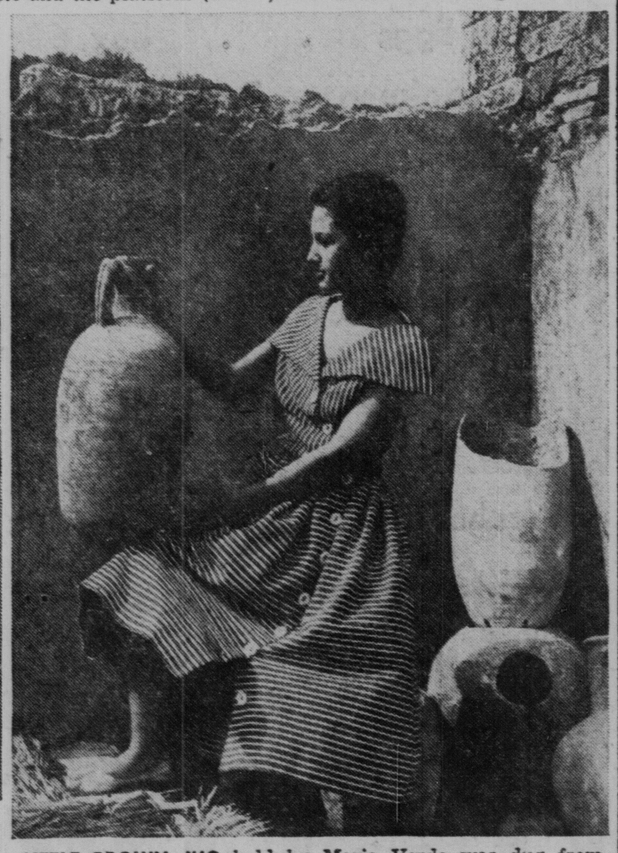


MOVING SLOWLY in the burning sun, an Arab woman makes her way to market through the winding streets of Tangier.



DE LUXE "FLYING CARPET" that surpasses anything out of the *Arabian Nights* is being readied for King Saud of Saudi Arabia. An unglamorous plane of World War II vintage is turning into an airborne palace under the hands of workmen at Oakland, Calif. This interior view shows door into royal suite and the platform (arrow) that will hold the king's throne.

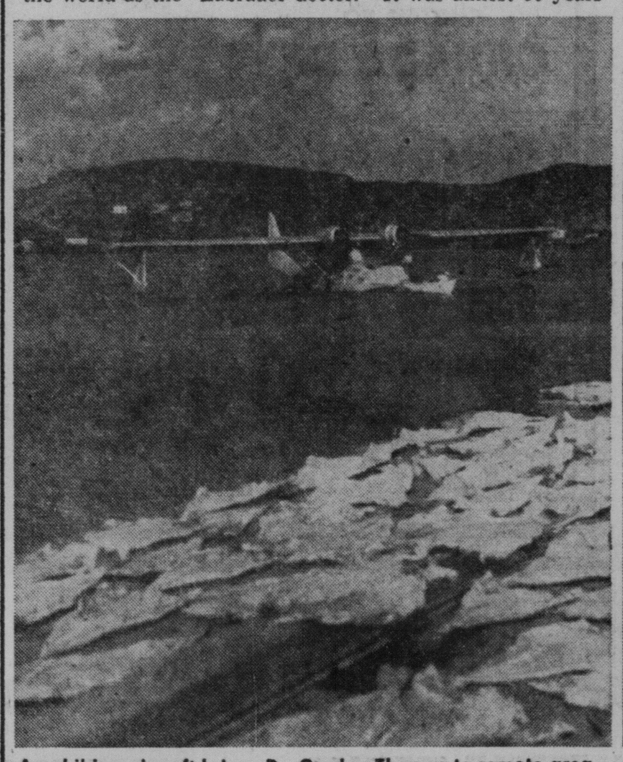
KING NEPTUNE HIMSELF would undoubtedly approve of the selection of Cleveland's Dee Henning as queen of a reunion of World War II crewmen of the destroyer *Ludlow* in New York. Seaman Harold Schefts of Brooklyn congratulates the queen while hotel manager Tom Kelly holds a bouquet.



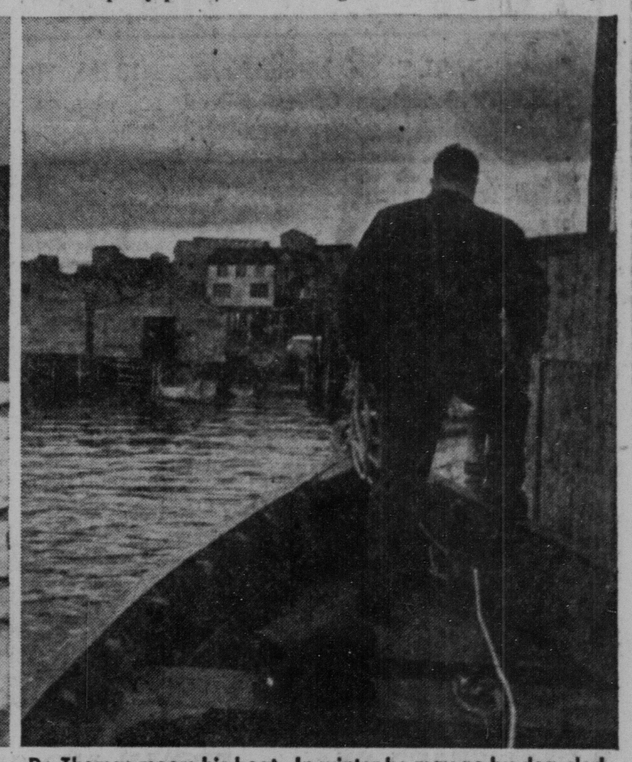
LITTLE BROWN JUG held by Maria Verde was dug from ancient ruins at Pompeii, Italy. This jug, of porous material, allows water to seep into surface and keep contents cool.

RELIEVING PAIN, HEALING SOULS

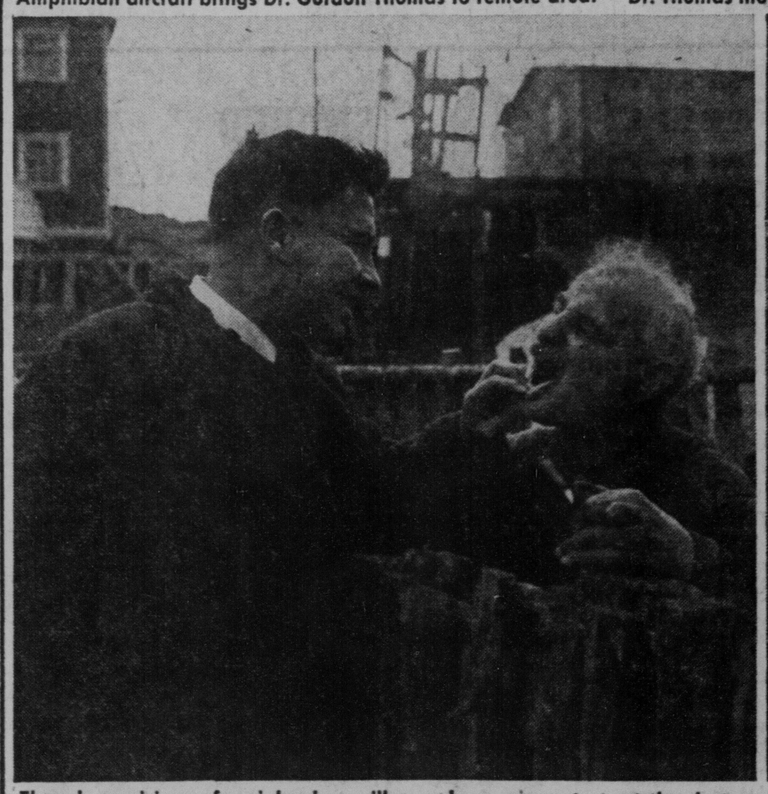
"GETS IN YOUR BLOOD" is what Dr. Gordon Thomas tells anyone who asks why he and his staff put up with loneliness, privation and disease amid the bleak, isolated regions of northern Newfoundland and Labrador. Dr. Thomas is head surgeon at St. Anthony's, one of a chain of nursing stations and hospitals operated by the International Grenfell association. The I. G. A. grew out of the efforts of Dr. Wilfred Grenfell, an English medical missionary known throughout the world as the "Labrador doctor." It was almost 60 years ago that Dr. Grenfell landed on Labrador and found the whites and Eskimos losing the fight against numbing weather, poor returns from the fisheries and ravages of tuberculosis and beri-beri. He spent the remainder of his life building hospitals and establishing homes and missions among natives. He died in 1940 but his work lives after him through such followers as Dr. Thomas and other doctors, nurses and volunteers who operate a children's home, hospitals and stores and make trips by plane, boat and dog-sled to bring aid to needy.



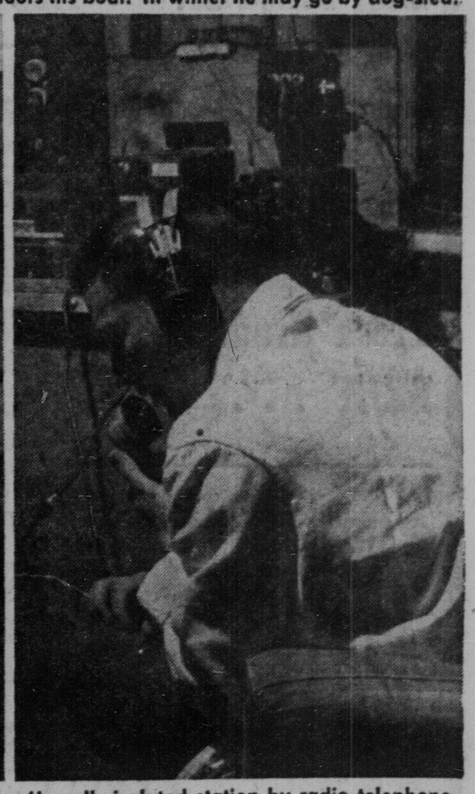
Amphibian aircraft brings Dr. Gordon Thomas to remote area.



Dr. Thomas moors his boat. In winter he may go by dog-sled.



Though suspicious of mainlanders, villagers have grown to trust the doctor.



He calls isolated station by radio-telephone.

Tornado Pins Farmer Underneath His Cow

ASHLAND, Neb. (AP)—A tornado struck last night and shattered the barn where farmer Virgil Owen was milking.

Owen was pinned underneath a cow in the debris.

They had to summon firemen to free him.
